Core Knowledge

Human Body: Ask your child to share what they have learned about muscles, breathing and their heart and brain.

Math Tip

A big skill we're working on in first grade is counting-on. For $5+3$, your child should start with the greater number (5) and count on the smaller number (3). The more your child practices this, the more fluid it will be for them.

Poetry

Due: Week of September 23rd

Phonogram Tests

Please remember that phonograms are tested each week along with our spelling lists.

Uniforms

[uniform policy](#)

Belts must be worn with all pants/shorts. Shirts are expected to be tucked in. Knit pants, and pants with exterior back pockets are NOT uniform compliant. Socks must be a uniform color, and shoes must be a neutral color. Thanks for understanding.

Dig Day

We are in need of someone who could rototill an area behind the school for us to bury bones. It would need to be done sometime between Sept. 23rd and 25th.
