Hybrid Parent Teacher Conferences

**Virtual Parent Teacher Conference via Zoom  
1:00 pm to 3:30 pm**

**In-Person at Argo Community High School – Field House  
5:00 pm to 8:00 pm**

At Argo Community High School, Parent-Teacher Conferences are a key part of our communication strategy regarding your student's progress. Due to many parent requests, ACHS will conduct both a virtual and in-person for the upcoming Fall Parent-Teacher Conferences. This will allow parents who cannot attend in-person conferences an opportunity to meet the teachers during the afternoon. Parents who prefer an in-person conference will have that opportunity to come in to meet the teachers in the evening.

**1:00 pm to 3:30 pm Virtual Conferences**

We are using the web-based software Conference Manager. This application allows you to check the teachers' schedules and book a conference. Before a virtual conference is created, parents must have a Parent PowerSchool.

Please view the following video for assistance in signing up for the virtual sessions with your student's teachers as well as creating a Parent PowerSchool account: <https://vimeo.com/752639725>. Or you can click [here](#) for a PDF version.

You can access the Conference Manager by logging into the Parent PowerSchool account from the ACHS website or click on the following link: <https://ps.argohs.net/public/home.html>. Parents can start to sign up for the virtual teacher conferences today.

**5:00 pm to 8:00 pm In-Person Conferences at ACHS – Field House**

Parents who choose for in-person Parent Teacher Conference, please enter the Field House. Teachers will be arranged by departments. As we have done in the past with conferences, there are no set appointments with teachers. You will simply find your teacher.

If you have any questions, please contact either Ms. Pam Young at [pyoung@argohs.net](mailto:pyoung@argohs.net) or Mrs. Anna Willis at [awillis@argohs.net](mailto:awillis@argohs.net).
