Elementary School	Q: Are there parts of the new Oregon math standards that are implemented now? A: Yes and we want to find a curriculum that will connect to new standards. Q: What does a math application look like in elementary school? A: Real-world situations, seeing it as a math problem and applying it. Q: Are the elementary Oregon math standard changes evidence-based practice? A: Yes, there is research behind these new practices.	1. Share High School Math Pathway Updates with School Administrators and the School Board. 2. Pilot Elementary School Curriculums in Fall of 2024
Middle School	Q: Are you excited about the 2 pilots next year? A: Yes and there were more options in Spanish and English for our team to select from.	1. Share High School Math Pathway Updates with School Administrators and the School Board. 2. Pilot Middle School Curriculums in Fall of 2024
High School	Q: ODE OR Mathways 2+1, what does that look like? A: Modeling, application and/or contextual relevance throughout a student's experience connected to career and college interests. Q: Has pre-algebra been thought of as an option at HS? A: No because it is not a credit-bearing option at the high school level.	1. Share High School Math Pathway Updates with School Administrators and the School Board. 2. Pilot High School Curriculums in Fall of 2024

From Oregon Department of Justice:

D. Requirements of the Law; 7. Minutes and Recordkeeping:

"The written minutes or recording must include at least the following information:

- *members present;*
- *motions, proposals, resolutions, orders, ordinances and measures proposed and their disposition;*
- *results of all votes; and, the vote of each member by name, except for public bodies consisting of more than 25 members unless recording by name is requested by a member of that body;*
- *the substance of any discussion on any matter; and*
- *a reference to any document discussed at the meeting, unless even a reference to the document is exempt under Public Records Law.*

Written minutes need not be a verbatim transcript, and a sound, video, or digital recording is not required to contain a full recording of the meeting, except as otherwise provided by law. However, the minutes or recording must contain the above information and must give “a true reflection of the matters discussed at the meeting and the views of the participants.”
