Academic Integrity	Academics	GRCMS GRCHS	<p>Grand Rapids Christian Middle School</p> <p>Because we believe that honesty and integrity are hallmarks of Christian living and evidence of sound and legitimate academic work, we believe that plagiarism/cheating is a serious offense. Examples of academic dishonesty include, but are <u>not limited</u> to the following:</p> <ol style="list-style-type: none"> 1. Copying daily homework assignments or offering one’s own assignment to be copied 2. Cheating on assessments 3. Using technology, including Artificial Intelligence, to cheat 4. Inserting either a portion or all of a paper or project into one’s own work without citing the source <p>The consequences of plagiarism/cheating are determined on a case-by-case basis. The teacher(s) and the Student Life Team consult on the particulars of each incident; ultimately, the principal decides on consequences.</p> <p>Grand Rapids Christian High School</p> <p>At Grand Rapids Christian High School we value honesty, integrity, and academic excellence. We strive to gather evidence of student learning and to provide feedback to students on their progress. Cheating/plagiarism prohibits our ability to do this well. It does not align with the values of the school and damages the classroom community. Therefore, plagiarism/cheating is a serious offense. Examples of academic dishonesty include, but are <u>not limited</u> to the following:</p> <ul style="list-style-type: none"> • Copying assignments or offering one’s own assignment to be copied • Cheating on assessments • Using technology to cheat, including using Artificial Intelligence unethically • Inserting either a portion or all of a paper or project into one’s own work without citing the source

To help maintain academic integrity, teachers will use "Turnitin.com" for student papers. Students who choose to cheat/plagiarize may be placed on academic probation for the remainder of their high school career.

Academic probation may include:

First Offense

- The student will redo the assignment/assessment to provide evidence of learning
- Track incident in Synergy
- A restorative meeting with the teacher and student
- Parents are notified
- Student will serve Saturday school or four detentions
- Student may no longer be able to voluntarily retake assessments in this class
- The student is moved from responsibility period or parent-excused to guided study for one semester
- The student can no longer be part of leadership roles at school for the remainder of the semester

Second Offense

- All of the above
- Student loses additional school privileges
- A conference with the parent, teacher, student and dean of students
- The student is moved from responsibility period or parent-excused to guided study for two consecutive semesters
- The student can no longer be part of leadership roles at school for the remainder of the year
- The student will not receive credit for the assignment

Third Offense or Major Violation*

- All of the above

			<ul style="list-style-type: none"> ● Incident is tracked and will appear on the student's academic record ● A meeting between the parents, student, teacher and administrator with discussion about removal from the course ● The student is no longer be eligible to apply or serve in leadership roles at school <p>* Major violations of this policy include plagiarism of final papers and cheating on large summative assessments.</p>
Academic Policies	Academics	GRCHS	<p>Curriculum Guide/Academic Policies</p> <p>Curricular policies and the full GRCHS curriculum guide can be found on the GRCS website at grcs.org under the “Academics” menu.</p> <p>Responsibility Period</p> <p>Responsibility period (RP) is intended to be a collaborative and flexible environment for students to learn essential academic and behavioral skills that will help them be successful beyond high school. Therefore, the primary goal of RP is to provide students an environment to learn independence while also providing them with the level of academic support they need to be successful in their classrooms.</p> <p>Teachers are present at each RP to supervise and be ready to assist students with academic needs. Peer tutors are also available to help students. There are “zones” set up for students who need various academic structures to complete work. Zones include group study, quiet study, intervention zone for homework completion, a writing lab, and reassessment.</p> <p>Students who cannot work in that environment are assigned to an academic coach where academics and behavior can be more closely monitored.</p> <p>Office Hours</p> <p>Office hours are a student-driven time where teachers are available in their classrooms for the last 20 minutes of lunch break on Wednesdays and Fridays for students who wish to come in for assistance.</p> <p>Students can also use this extended lunch period as meeting time for groups, activities, and clubs. Reservations for meeting locations can be requested to the dean of students by the group advisors. GRCHS Food Service is willing to create box lunches for clubs wishing to use the entire hour for their meetings. The group advisor can make those arrangements three days ahead with the food service manager.</p>

			<p>Focus Period</p> <p>Focus period is adult-driven, flexible time that takes place after lunch on Mondays, Tuesdays, and Thursdays. Students do not all learn at the same pace and flexible time in the schedule must exist for each learner to get what they need. Some focus sessions are for academic intervention or while others are for enrichment.</p> <p>Students must check their focus app during “business time” on days when focus sessions are offered. If they have not been requested by a staff member, they should select a session of their choice.</p> <p>Attendance is required and failure to report to focus period is treated as an unexcused absence. Focus period is managed as a regular class period and all academic and attendance policies apply.</p>
<p>Off-Campus Learning</p>	<p>Academics</p>	<p>ALL GRCS GRCHS GRCMS Rockford Evergreen Iroquois</p>	<p>21st-century technology affords us many opportunities to have students continue their learning and complete assignments even while not on campus. Grand Rapids Christian Schools has established Off-campus learning to provide students with opportunities for learning to continue on days when our campuses are closed. School is not “closed” when we cannot be on our campuses. Off-campus or virtual learning is considered by Grand Rapids Schools as an acceptable alternate format for delivering our educational program.</p> <p>Off-Campus Learning – Short Term</p> <p>When an unanticipated school closure occurs, parents are notified via our texting notification system as well as on our website, office phones, and television and radio stations. Each school campus notifies its respective constituency no later than 10:00 am of what is expected for that particular day in preparation for returning to school the next day.</p> <p>During off-campus learning days, middle and high school teachers will communicate appropriate learning assignments that are reasonable for students to be able to complete and will monitor their email throughout the day in order to respond to student questions that may arise. Families with elementary students will receive developmentally appropriate learning activities.</p> <p>Off-Campus/Virtual Learning – Long Term</p> <p>Grand Rapids Christian Schools prioritizes in-person instruction but is prepared to flexibly respond when campuses are closed because of unforeseen events or circumstances beyond schools’ control. At such a time, Grand Rapids Christian Schools will provide our educational program via virtual learning to students and streams and/or record classroom lessons and provide schedules when students are required to participate in online learning. As appropriate, recordings of lessons will be posted to a secure website at a scheduled time of the day and available for students to view “on demand.”</p> <p>While the video stream would focus on the teacher, and not on individual students, it could incidentally capture students in the classroom from time to time. Parents or guardians of a student who is under the age of 18 (or a student who is age 18 or older) who do not want their student to be part of the classroom video stream must submit a</p>

letter in writing to opt out. Grand Rapids Christian Schools will make its best efforts to ensure that students who opted-out are not a part of a video stream.

ATTENDANCE

TITLE	CATEGORY	CAMPUS (TAGS)	POLICY
Attendance — GRCHS	Attendance	GRCHS	<p>School attendance is compulsory by Michigan law. Grand Rapids Christian High School is responsible to keep complete attendance records. Regular school attendance is extremely important and essential for successful school progress.</p> <p>Our attendance policy encourages punctuality and regular attendance in all classes. Our school is set up to provide students with certain freedoms in their learning environment. However, habitual attendance infractions will result in loss of those school privileges. Attendance is very important for these reasons:</p> <ol style="list-style-type: none"> 1. Excessive absence is detrimental to the learning process and disruptive to the student’s education. 2. The classroom is a setting where spiritual, intellectual, and interpersonal exchanges take place, therefore, it is very important to be present for these learning experiences. 3. It is important to develop good work habits including punctuality and good attendance. These skills will prepare students for higher education and lifetime work. 4. God calls us to use our time wisely and be respectful to our teachers and classmates. <p>Attendance Procedures for Parents and Students</p> <ol style="list-style-type: none"> 1. Attendance is taken and recorded at the start of every period. 2. Students that arrive at school after the bell rings, must sign-in in the office. 3. If students need to leave for any reason, they must have parent communication with the attendance supervisor and sign out with them in the main office. Students who do not have parental permission will be held at school until parents are contacted to give permission for leaving. 4. If a student leaves campus without signing out, it may result in school consequences including loss of school privileges, possible Lunch Reflection, and parent communication. See restricted campus policy.

5. Attendance is the student's responsibility. If a student needs to miss class for illness and/or appointments, the parent/guardian must contact the attendance supervisor by phone or email before the start of the school day. Absences not excused within 24 hours may be treated as unexcused absences.
6. The attendance line (616.574.5521) is available 24 hours a day. Parents can report absences via email to hsattendance@grcs.org, phone, or ParentVue.
7. If a student has health care provider appointments during the day, scheduling those, whenever possible, during a student's responsibility period, skills class, or during lunch break, will limit the academic impact of the absence.
8. Parents receive automated text notifications daily at 5:00 p.m. when their student has an unexcused absence.
9. Parents are encouraged to check their student's attendance and academic records regularly through ParentVue.

Excessive Absences

1. Excessive absence is an academic detriment. Therefore, students that exceed eight absences in a class may be removed from the course, and may not receive credit.
2. If absences are beyond the student's control, such as extended or chronic illness, or family emergency, the student may remain in the class with a doctor's note or other appropriate documentation and administrative approval. If excessive absences result in a lack of evidence of proficiency on course learning targets, credit may be assigned instead of a letter grade.

Tardiness

1. Late arrival to class that does not exceed 10 minutes is recorded as a tardy. Students who are more than 10 minutes late will generally be counted as absent. If there is a school-related issue for arriving late, teachers may remove the tardy.
2. Beyond three tardies in one class is considered excessive
3. Excessive tardies and/or other attendance related infractions will result in a loss of school privileges.

Students who are excessively tardy may expect the following:

1. Third tardy: Student must complete a Reflection Goal Sheet, cell phone will be checked in for the day and communication home.
2. Fourth tardy: Cell phone check in for the week and student will be issued a Tardy Agreement/Contract.
3. Fifth tardy and beyond: Cell phone check for the week PLUS one week of Lunch Reflection and Parent Resolution Meeting.

Unexcused Absences

Unexcused absences will result in the following consequences:

1. 1st, 2nd and 3rd unexcused absence - Email reminder to the parents and students importance of being at school and the Attendance Policy
2. 4th unexcused absence - Cell phone check in for the remainder of day and the following day and parent/guardian communication.
3. 5th unexcused absence - Cell phone check in for the week and Attendance Agreement/Contract, parent/guardian communication.
4. 6th unexcused absence - Cell phone check in for the week PLUS one week of Lunch Reflection, loss of school privileges and a meeting with Assistant Principal, Parent and Student to discuss Attendance Agreement/Contract.
5. If improvements are not noted, a referral for Truancy Action will be made to the Kent County Attendance Officer.
6. Students that exceed 8 total absences (unexcused and/or excused) in a class may be removed from the course, and they may not receive credit.

There are no school-authorized skip days for any grade level, including seniors. Students who choose to declare such a day and not show up for classes are considered unexcused. The consequences of unexcused absences will be imposed.

Learning Lunch: Meet in the Garage facilitated by the dean of students and counselors

Pre-Approved Absences

1. Pre-approved absences for non-academic reasons while school is in session are strongly discouraged by the school. However, parents may request that the school approve a student's absence provided the request is made at least three days prior to the date of the absence by use of a pre-approved absence form.

2. Pre-approved absences are limited to a maximum of five days per school year. Families requesting more than five days must receive an administrative waiver.
3. Teachers may require the student to complete assessments and assignments prior to the pre-approved absences. In cases where the work is to be completed when the student returns, the teacher will establish a time frame for completion of the work.
4. It should be noted that the responsibility for making up missed work is solely that of the student and the family.
5. Pre-approved absences are not permitted during exams and are strongly discouraged during the last three weeks of each semester.

School-Related Absences

1. Students must limit the number of school-related activities that will result in missed classes.
2. Students have the option to decline participation in school-related activities that take them out of other classes if they feel that missing other classes creates an undue academic hardship.
3. Teachers and administrators may assist students in limiting those activities if they result in excessive absenteeism or become detrimental to academic or class participation.
4. Students are responsible for all work missed during a school-related absence. The work missed may be due on the day of return.

Chapel and Community/Focus Time Attendance

Attendance is mandatory in chapel, community time, and focus time. Students are expected to sit with their small group leaders in their assigned seats.

Students who choose to skip chapel, community time, or focus time may expect the same consequences as skipping a class.

Detention

1. 1st offense - Cell phone check in for the remainder of day and the following day, parent/guardian communication.
2. 2nd offense - Cell phone check in for the week and Skip Agreement/Contract, parent/guardian communication.
3. 3rd offense - Cell phone check in for the week PLUS one week of Lunch Reflection, parent/guardian meeting.

			<p>Extra-Curricular Events</p> <p>In order to participate in any extracurricular practice or event, students must be in attendance by 10:00 a.m. and finish the day at school. Exceptions include a doctor’s appointment with a doctor’s note, college visit, or funeral. Students should clear those absences with the attendance supervisor prior to missing school.</p>
<p>Attendance — GRCMS</p>	<p>Attendance</p>	<p>GRCMS</p>	<p>School attendance is compulsory by Michigan law. Grand Rapids Christian Middle School is responsible to keep complete attendance records. Regular school attendance is extremely important and essential for successful school progress.</p> <p>Absences</p> <p>When a student is absent from school, a parent or guardian must call the attendance voicemail number (616.574.6389) or send an email to msattendance@grcs.org and follow the instructions given by 8:00 am, the same day of the absence. These communication tools are available 24 hours a day. If a student is not reported late or absent by 8:00 am, calls will be made until we can be certain of the child’s safety and well being.</p> <p>Please report your students’ name, grade, homeroom teacher, date and reason for absence (if sick please include symptoms).</p> <p>Students who are absent from school all day may not participate in after school extra-curricular activities (clubs, plays, sports, etc.). To participate in the activity, the student must be present for at least half of the school day.</p> <p>Students who arrive after the school day has begun must report to the school office to receive an admission pass. Advance notice must be given for all absences except illness.</p> <p>Absences from school fall into three categories:</p> <p>Excused Absence:</p> <ol style="list-style-type: none"> 1. Students must communicate with their teachers about making up missed work. <p>One-week prior notice is required when students are absent by withdrawal. A “Withdrawal Request Form” must be obtained from the office, completed, and filed in the office. Teachers may, but are not required to, provide assignments prior to the student’s absence. Students will not receive a reduced grade for days missed but are held accountable for the material covered during the absence.</p> <p>Unexcused Absence:</p> <ol style="list-style-type: none"> 1. Some disciplinary action is taken <p>Students are responsible to make up work missed as a result of an absence. They should approach teachers to ask for the work missed. Sufficient time will be given for the completion of the work, and teachers will inform students of a due date. All make-up work must be turned in by the end of the marking period. In situations where make-up work is not turned in, students will receive an incomplete on the report card. It may also affect participation in school activities and events. Parents are encouraged to email classroom teachers and check online for assignments.</p> <p>Extended Absences</p> <p>When a student is absent as a result of a family vacation, teachers will work with parents to keep the student up-to-date in their school work. Teachers are not required to prepare student homework prior to the student's leaving. It is the parent's responsibility to contact the teacher to find out what was missed. The teacher will decide what and when make-up work and tests will be given and must be completed.</p> <p>Tardies</p> <p>Please make every effort to have your student at school by 7:55 am. This allows your student time to put away their things and get into the classroom by 8:00 am, the start of school. All classrooms begin the day in devotions, daily announcements, and lunch ordering. Students are expected to be on time to classes and are taught that being punctual is being responsible.</p>

Tardies

Please make every effort to have your student at school by the first bell. This allows your student time enough to put away their things and get into the classroom before the start of school. The first fifteen minutes of your student's schedule is very important in setting the mood and performance for the rest of the day.

BEHAVIOR

TITLE	CATEGORY	CAMPUS (TAGS)	POLICY

**Behavior Code
— GRCHS**

Behavior

GRCHS

Personal/Student Dignity Policy

Harassment, hazing, and bullying of individual students violates fundamental Christian principles. Therefore, the GRCS Board of Trustees has established a dignity policy. GRCHS responds to conduct, whether intentional or unintentional, which subjects another person to unwanted comments or unwanted actions because of race, national origin, age, gender, sexual orientation, physical characteristics or disability; or other harassment or bullying activity which robs the person of self-esteem, negatively impacts the learning environment or poses a threat to the person.

If harassment, hazing, or bullying takes place, the student should report it to a teacher, counselor, or administrator so that an official report can be filed and an investigation can be conducted. Findings of the investigation are shared with the parties involved and appropriate discipline will be implemented if needed. Harassment, hazing, or bullying, including verbal abuse, oral or written or online, will result in corrective action and penalties, which may include suspension or expulsion. Threats against the welfare of students or school personnel are grounds for expulsion.

[The dignity policy is available here.](https://docs.google.com/document/d/e/2PACX-1vTT4JtlzpjzK-4nhhmMjhT1WhibOBcJc8ivQHLgCS-TzZcoa8UbDXDg4ZKSrVuffSKMjiBH2dfWodLC/pub?urp=gmail_link#h.x4w9dtg3w6os)

Bathrooms/Locker Rooms

- Bathrooms and locker rooms are not to be used for social gatherings.
- Students found congregating in these areas may be subject to school discipline.
- Students are only permitted in locker rooms for class use, athletic practices or events, and approved after school workouts.

- Students found in the locker room outside of those times may be subject to school discipline.
- In order to protect students' privacy in the locker rooms and bathrooms, cell phones and other personal communication devices may not be used in those locations. See PERSONAL DIGNITY POLICY.

Lockers and Personal Property

- Lockers are available to all students. However, the lockers remain the property of the school.
- Although the locker is for the personal use of the individual student, the school administration may periodically check lockers and contents as needed. School property is subject to search at any time by school officials. Those searches can take place for any reason at any time, without notice, without student consent.
- A student's person and/or personal items may be searched whenever a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials.
- If a properly conducted search yields materials that are illegal or violate school policy, such findings will result in school discipline and may be turned over to proper legal authorities.
- Each student is responsible for the locker to which they are assigned. Any problems with the locker must be reported to the office at once.
- Defacing or other abuse of the locker is the financial responsibility of the offender for repair or replacement.
- While students are not allowed to access another student's locker, the school cannot guarantee the security of the lockers.
- Students are encouraged to use school-issued locks to secure their assigned lockers.

Locks

- Students are expected to take care of their personal property by locking up valuables.
- Students are expected to use locks in the locker rooms and are encouraged to use locks on hallway lockers.
- Only school-issued locks may be used on hallway and locker room lockers, in order to provide school officials access to locker contents.
- Personal locks are not allowed and will be removed.

- Locks for hallway lockers are available in the office and can be checked out for the student's time at GRCHS.
- Locks for students in Physical Education courses are distributed in those classes for a \$5 refundable deposit.

Messaging/Signage in School

In order to promote a positive learning environment, students must receive approval from a building administrator before posting any signs or messages on school property. This includes but is not limited to anything posted to lockers, walls, bulletin boards, morning announcements, yearbooks, and school-affiliated social media pages. Posted signs and messages should relate to school-sponsored events and themes only. Any signs or messages that include inappropriate content or symbols that are potentially divisive or promote violence will not be permitted.

Valuables

Students are strongly encouraged NOT to bring items of value to school. Items such as jewelry, expensive clothing, electronic devices, and the like, are unfortunately tempting targets for theft. Any valuables brought to school for any purpose are the sole responsibility of the student. School cannot be held responsible for their safekeeping and will not be liable for loss or damage to personal valuables. School personnel may not be able to investigate and/or recover lost or stolen valuables. Students bring valuables to school at their own risk.

Classroom and/or Hallway Discipline Follow-Up

In instances where a student is disruptive or disrespectful in class or in the hallway, a teacher may choose to send that student to the office or refer the student to the office to meet with an administrator. When that becomes necessary, administration will work with teachers to impose appropriate consequences and to restore relationships. Depending on the severity and frequency of the behavior, consequences may include parent communication, loss of school privileges, a restorative meeting, suspension, or removal from the course.

Chapel and Community Time Expectations

- Students are expected to be respectful of what is offered during assemblies and chapels.
- Food, drink, personal communication devices, headphones, earbuds, study materials and book bags are not permitted in the auditorium.
- Caps and hats are not to be worn during prayer. Hoods are never to be worn in school.
- Students are expected to maintain a posture of worship, which includes but is not limited to having feet on the floor, limiting side conversations, and sitting up.

			<p>Social Media</p> <ul style="list-style-type: none"> ● Students may not create social media pages or other media (posters, podcasts, newspapers...) that use the school's name without permission of a school administrator. Violations may result in loss of school privileges, social probation, or suspension up to expulsion. ● The school does not monitor students' interactions on any social media sites. ● However, if negative behavior on those sites creates a situation that threatens or damages the learning environment, the administrators will respond to the disruption. ● The administrator will follow up with the students involved and their parents/guardians. ● Consequences for creating that disruption may include social probation and/or suspension. <p>Drugs and Alcohol</p> <p>GRCHS is a drug- and alcohol-free campus. Therefore, use or possession of alcohol (any level of alcohol content), drugs, imitations portrayed as drugs, or any form of drug paraphernalia, during the school day, on school property, or at school functions is prohibited. This includes use of prescription medication that does not align with the district medication policy (see Health section). Violation of this policy will result in:</p> <ol style="list-style-type: none"> 1. First offense: a four-day suspension, indefinite social probation, loss of school privileges, and parental contact. The school may provide drug prevention and mental health resources and may require intervention and treatment plans. If a student comes to school, on school property, or to a school function having used any of these substances, the same discipline will be imposed. 2. Second offense: in addition to the above consequences, it will result in an indefinite suspension, and possible termination of enrollment or expulsion. Professional assessment and treatment intervention plan may be required as a condition of remaining in school. <p>Distribution or Sale</p> <p>The distribution, or sale of alcohol , drugs, or imitations portrayed as drugs, at school, on school property, or at school functions is prohibited and could result in:</p> <ol style="list-style-type: none"> 1. Indefinite suspension and social probation up to expulsion. 2. The school may require professional assessment and treatment as a condition for continued enrollment. 3. Civil authorities may be contacted.

Tobacco and Nicotine

GRCHS is a nicotine and tobacco-free campus. Therefore, the possession or use of nicotine or tobacco in any form includes but is not limited to cigarettes, cigars, spit tobacco, snus, tobacco strips and sticks, dissolvable tobacco products, hookah, e-cigarettes, electronic nicotine delivery devices and any new and emerging tobacco products on campus, in the near-vicinity of the school property or at school functions is prohibited. Offenses involving possession or use of those products will be handled as follows:

1. **First offense:** parent/guardian communication, two-day suspension and social probation. During suspension the student completes a web-based tobacco education program.
2. **Second offense:** parent/guardian communication, four-day suspension as well as indefinite social probation. Referral for mental health resources and treatment intervention plan. Following all recommendations for further assistance from the assessment is a necessary condition to be allowed back into classes.
3. **Third offense and beyond:** indefinite suspension and social probation as well as consideration for expulsion.

Student Treatment and Assessment Plans

In order to keep the school and student safe, there are times when the partnership between school and home must extend to other trained professionals. Because of this, GRCHS may require a student to undergo professional assessment and/or treatment by a school-approved professional as a condition for continued enrollment. The school may require proof of completion of the assessment or treatment plan and reserves the right to make enrollment decisions based on the provided results. Depending on the circumstances, students may or may not be permitted to attend school and school events pending results of the treatment/assessment. The list of potential issues being treated or assessed include but are not limited to self-harm, harm to others, and addiction. Payments for these assessments and treatments are the responsibility of the family.

Physical Altercation or Fighting

Fighting of any kind is prohibited on school grounds (this includes rough play fighting). Engaging in this behavior at school may result in:

1. Loss of school privileges
2. A restorative meeting with all parties involved
3. A behavior contract
4. An indefinite suspension up to expulsion
5. Parent communication
6. Indefinite social probation

Behavior Code — GRCMS	Behavior	GRCMS	<p>Our desire is to foster a Christian community that is built on love and relationships and creates an atmosphere that is conducive to teaching and learning. We prepare children to live by God's command to love their neighbor as themselves. Our responses to student issues at school are focused on restorative practices and encourage children to work through challenges and to restore community. We expect them to be God's healing agents in the world they live in.</p> <p>Expectations for Behavior in Community</p> <p>GRCMS is a community of faith and learning where students, parents, and staff partner together in order to create a safe and respectful environment. Both teachers and students have specific roles and responsibilities in achieving this goal. When addressing behavior that impacts community, all students are given due process, considering all sources of information when applying school discipline policies. School discipline problems are documented and recorded.</p> <p>In order for students at GRCMS to demonstrate respect for others and the community, to be part of a safe and positive environment, and to be ready for learning, the following expectations and rules have been established:</p> <ol style="list-style-type: none"> 1. Behave properly in class 2. Be in class, prepared and on time 3. Respect the safety of everyone in and outside of the classroom 4. Show respect for other students and their property 5. Show respect for staff members, visitors, and school policy 6. Be honest in all situations <p>When expectations are not met or community is disrupted, GRCMS uses three categories to identify the seriousness of the infraction and to help guide our response:</p>

			<ol style="list-style-type: none"> 1. Warnings: Issued by teachers/staff members as a corrective measure to help the student change their behavior and attitude. 2. Minors: Issued by teachers/staff members for behaviors disruptive to learning. Minor penalty examples: <ol style="list-style-type: none"> a. Running, pushing, yelling in the halls b. Dress code violations c. Accumulation of three tardies and/or warnings in a given marking period d. Unauthorized technology use e. Non-compliance with expectations <p><i>*NOTE: The content of this list is by no means exhaustive.</i></p> 3. Majors: Issued by teachers/staff members for actions that damage community and/or put others at risk. Major penalty examples: <ol style="list-style-type: none"> a. Abusive language, obscene gestures, or disrespect for God’s name b. Leaving school grounds without permission during school hours c. Vandalism/damage to school or personal property d. Disrespect for others demonstrated in attitude, action, or speech e. Stealing f. Fighting 4. Detentions: Outside of teacher-determined consequences for “warnings” or “minors,” the first step of in-school consequences is a detention. Detentions may be given by any school staff member and are followed up by the GRCMS student life team. Detentions typically happen during the lunch hour. 5. In-School Suspension: An in-school suspension may be used as part of the disciplinary cycle supporting students in modification of unacceptable behavior(s). Parents are notified when an in-school suspension has been issued along with a rationale for the disciplinary action. Below is the In-school suspension procedure. 6. Suspension: Students may be suspended in-school or from school for the following violations:

Behavior Plans: In the life of our Christian school, there are times and cases where students demonstrate a pattern of behavior that compromises learning, the environment, relationships, trust, and the culture and community of Grand Rapids Christian Middle School. Teachers, support staff, student life team, and the principal draft a Behavior Plan b. Parents and families are notified of a need for a meeting c. - e. Bi-weekly communication with parents is required when a child is on a Behavior Plan. This communication comes from the principal, student life team or teachers and provides a report of progress toward the behavior goals and action steps established and agreed upon in the Plan.
- f. If the student is able to demonstrate progress in meeting the guidelines and expectations of the Plan, teachers, parents, and the principal may agree to move to a “monitoring” status and away from an official Behavior Plan.

If the student is unable to make measurable progress in meeting the guidelines and expectations of the Behavior Plan, parents are notified. A meeting to discuss transitioning to an alternative educational placement and/or expulsion from Grand Rapids Christian Middle School will occur.

Personal/Student Dignity Policy

Harassment, hazing, and bullying of individual students violates fundamental Christian principles. Therefore, the GRCS Board of Trustees has established a dignity policy. GRCMS will respond to conduct, whether intentional or unintentional, which subjects another person to unwanted comments or unwanted actions because of race, national origin, age, gender, sexual orientation, physical characteristics or disability; or other harassment or bullying activity that robs the person of self-esteem, negatively impacts the learning environment or poses a threat to the person.

If harassment, hazing, or bullying takes place, the student should report it to a teacher, or administrator so that an official report can be filed and an investigation can be conducted. Findings of the investigation will be shared with the parties involved, and appropriate discipline will be implemented if needed. Harassment, hazing, or bullying, including verbal abuse, oral or written, or online, will result in corrective action and consequences, which may include suspension or expulsion. Threats against the welfare of students or school personnel are grounds for expulsion.

[The dignity policy is available here.](#)

Bathroom/Locker Rooms

- Bathrooms and locker rooms are not to be used for social gatherings.
- Students found congregating in these areas are subject to school discipline.
- The boys’ and girls’ locker rooms are off-limits for everyone except during the hour a student has physical education class or during the time a student’s sports team has a practice or a game.
- Students found in the locker room outside of those times will be subject to school discipline.
- In order to protect students’ privacy in the locker rooms and bathrooms, cell phones and other personal communication devices may not be used in those locations. See [PERSONAL DIGNITY POLICY](#).

Lockers and Personal Property

- Lockers are available to all students. However, the lockers remain the property of the school.

- Although the locker is for the personal use of the individual student, the school administration may periodically check lockers and contents as needed. School property is subject to search at any time by school officials. Those searches may take place for any reason at any time, without notice, without student consent.
- A student's person and/or personal items may be searched whenever a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials.
- If a properly conducted search yields materials that are illegal or violate school policy, such findings will result in school discipline and may be turned over to proper legal authorities.
- Each student is responsible for the locker to which they were assigned. Any problems with the locker must be reported to the office at once.
- Defacing or other abuse of the locker are the financial responsibility of the offender for repair or replacement.
- While students are not allowed to access another student's locker, the school cannot guarantee the security of the lockers.

Messaging/Signage in School

In order to promote a positive learning environment, students must receive approval from a building administrator before posting any signs or messages on school property. This includes but is not limited to anything posted to lockers, walls, bulletin boards, morning announcements, yearbooks, and school-affiliated social media pages. Posted signs and messages should relate to school-sponsored events and themes only. Any signs or messages that include inappropriate content or symbols that are potentially divisive will not be permitted.

Prohibited items

Students should not bring any items to school that would be considered a nuisance, distracting, or dangerous. Items that would be included in this area include, but are not limited to, the following: illicit substances, weapons, pets, pepper spray, air horns, etc.

Classroom and/or Hallway Discipline Follow-up

In instances where a student is disruptive or disrespectful in class or in the hallway, a teacher may choose to send that student to the office or refer the student to the office to meet with an administrator.

Chapel Expectations

- Students are expected to be respectful of what is offered during assemblies and chapels.
- Food, drink, personal communication devices, study materials, and book bags are not permitted in the auditorium.
- Caps and hats are not to be worn during prayer.

			<ul style="list-style-type: none"> Students are expected to maintain a posture of worship, which includes but is not limited to having feet on the floor, limiting side conversations, removing hoods, and sitting up. <p>Social Media</p> <ul style="list-style-type: none"> Students may not create social media pages or other media (posters, podcasts, newspapers...) that use the school's name without permission of a school administrator. Violations may result in loss of school privileges, social probation, or suspension up to expulsion. The school does not monitor students' interactions on any social media sites. However, if negative behavior on those sites creates a situation that threatens or damages the learning environment, the administrators will respond to the disruption. The administrator will follow up with the students involved and their parents/guardians. Consequences for creating that disruption may include social probation and/or suspension.

Dress Code	Behavior	<p>ALL GRCS GRCHS GRCMS Rockford Evergreen Iroquois</p>	<p>GRCES Iroquois and Evergreen, Rockford Christian School</p> <p>We expect that students wear clothing appropriate for school. Appropriate dress is a matter of both recognizing that our bodies are temples of the Holy Spirit and recognizing that we are part of a community. Clothing considered distracting, indecent, or inappropriate will not be allowed. Teachers have the right and responsibility to act and communicate with parents when a student's appearance becomes distracting or inappropriate.</p> <p>Parents should help children understand that modesty and appropriateness are key guidelines for choosing what to wear to school. Therefore, students should not wear shirts, pants, or hats with inappropriate pictures or slogans; should not wear clothing that is too tight or too short; or wear items not in good repair. Students</p>

may not wear shorts that are shorter than mid-thigh and must have straps on shoulders that are at least two fingers in width. Headwear may be worn in class. Headwear will be removed during prayer, devotions, and any other situations requested by an adult.

When violations or questions arise, students are given alternate clothing to wear and a parent is contacted to bring in alternate clothing to change into.

Grand Rapids Christian Middle School

We recognize that a student's dress is an opportunity for them to share their unique personality and culture. GRCMS desires to both celebrate each individual student and to maintain a standard for student appearance that preserves and promotes a positive and appropriate self image, respect for others, and a Christian learning environment. The purpose of our dress code is to help students recognize their important role in building a professional learning environment here at school. Dress is an important part of this role.

The style and manner in which a student dresses while attending school and school-related functions is largely the responsibility of the student and the parent/guardian. GRCMS reserves the right to decide what is proper and fitting for school wear, in accordance with the GRCS policy. It is important for students to wear professional dress that is appropriate for the classroom and activities at school.

- Students must wear a shirt and pants, shorts or a skirt and shoes
- Fabric must cover private parts and not be see-through or tight fitting
- Clothing must cover undergarments and private parts
- Hats, hoodies and other headwear must allow the face to be visible and not interfere with the line of sight to any student or staff. Students should not wear hoodies in class or chapel.

Examples of clothing not considered appropriate for school include, but are not limited to:

- Clothing that causes substantial disruption, is deemed to create an unsafe learning environment, or causes substantial interference with the educational process or the orderly operation of the school. Some examples of items that could be disruptive include but are not limited to costumes, flags, signs, and athletic equipment.
- Clothing or accessories advertising alcohol, tobacco, drugs or other inappropriate-for-school messages is also unacceptable.
- Clothing or other visible symbols that promote or degrade a political candidate or party are prohibited. Instead, the school is committed to providing venues for safe and meaningful political discussions.
- Spandex shorts

- Clothing that exposes the stomach
- Mesh or sheer shirts
- Tank-style undershirts
- Body art with any inappropriate-for-school messages must be covered during the school day and at school functions.

Swimsuits

At GRCMS, we prioritize modesty and respect in all aspects of student life, including swimwear. Our swimsuit policy aims to create a comfortable and inclusive environment for all students participating in swimming activities including field trips, iXplore, community building events, etc. Therefore, the following guidelines are to be observed:

- We encourage all students to wear modest swimwear.
- Conservative two piece suits are acceptable for females.
- Swim trunks are preferred for males.
- We rely on parents to approve swimwear for such events.

When students are out of compliance with the GRCMS dress code policy, appropriate attire will be found for the student for the remainder of the day and parent/guardian contacts will be made as needed.

We expect that our students should come to school in clothing that is appropriate for the activities in which the students are involved and the climate/weather conditions.

Non-Traditional Students	Behavior	GRCHS	Policies and routines at GRCHS are predicated on the assumption of parent-school cooperation and shared parent/guardian-school authority. Therefore, particular policies are in effect for those who have altered ties with

			<p>parent/guardian authority, or students whose particular home relationships vary from usual parent/guardian-child relationships.</p> <ul style="list-style-type: none"> • Students who become married, are parents, or are parents-to-be must face new roles and responsibilities. In response, school policy requires that the student and/or family member inform school personnel of the changed situation. • Students must reside with a parent/guardian, or in a home approved by the parent/guardian. • The school retains the right to deny continued enrollment to students whose living arrangements are, in the judgment of the school, detrimental to the school.
Restricted Campus	Behavior	GRCHS	<p>Once students arrive on campus they are to remain on campus until the conclusion of their last assigned class period, including responsibility period and guided study, each school day. This means no walking or driving off the premises of GRCHS during the school day including break times. If students need to leave for special reasons, they must provide parent permission and check out with the attendance supervisor or the receptionist in the main office. Students who do not have parent notes will be held at school until parents are contacted to give permission for leaving.</p> <p>Students who leave campus without school permission risk losing school privileges including lunch and driving privileges, possible suspension, and a communication with the parent/guardian.</p> <p>Students may not be in the parking lot or in parked cars in the school lots during the school day. Students who need to access their cars during the school day must receive permission from the Attendance Supervisor or the receptionist in the main office.</p> <p>Seniors who have parent-excused during the last period of the school day, and who choose to leave campus may not return to the campus prior to 2:50 pm. Seniors who are locked into a focus period, must stay until the end of that session. If senior students with a parent-excused are not locked into a focus time, they must sign-up for the parent-excused focus session. If senior students abuse these privileges, they forfeit their parent-excused period and be assigned to responsibility period.</p> <p>Food Availability Because GRCHS has a full-service food delivery system, students may not have food delivered to them by outside vendors or friends. Any food brought to campus by those providers will be held until the end of the school day for the student to pick up prior to leaving the campus. Parents may continue to bring their students lunches as they wish and those should be brought to the school's main office or the attendance office for delivery to their children.</p>

HEALTH AND SAFETY

Building Security	Health and Safety	ALL GRCS GRCHS GRCMS Rockford Evergreen Iroquois	<p>It is very important for our students, staff, and parents to feel safe and secure at school. When we partner together on safety issues we can be assured that all will respond with caution and confidence in the case of an emergency.</p> <p>Emergency Response Student, staff, and visitor safety is a high priority at Grand Rapids Christian Schools. We recognize that school security is essential for student learning and parents’ peace of mind. Within that context, emergency response notification systems are installed at each of our school buildings. These rapid notification systems, which include video surveillance, notify our local police and medical first responders in the case of an emergency through a communication portal that equips both first responders and building occupants to make more informed decisions quickly.</p> <p>One of the systems, ZeroEyes, provides real-time intelligence for life-threatening situational awareness while respecting the privacy and rights of our students and staff.</p> <p>As we continue to foster a nurturing environment for our students, We appreciate your ongoing partnership and dedication to making GRCS a safe haven for learning and faith nurture!</p> <p>Video Surveillance Video surveillance/electronic monitoring systems serve to complement GRCS staff’s ongoing vigilance to monitor and supervise our schools to promote and foster a safe and secure teaching and learning environment for students and staff. Through video surveillance, we enhance security for everyone, and video recordings may be used to assist as evidence of legal or disciplinary actions. Video surveillance signs stating that we use video surveillance are posted at the main entrances of our schools</p> <p>Video recordings may be viewed by authorized administrators and designated other employees. If determined appropriate and at the discretion of building administrative staff, video recordings may be viewed by parents/guardians of minor-age students, students who are at least 18 years of age, and law enforcement officials for the purpose of providing evidence in disciplinary actions.</p>

			<p>Invasion of the privacy of another student, concern for the safety of another student present in the recording, and possible interference with a law enforcement investigation are factors considered when refusing to grant others permission to view video recordings.</p> <p>Visitor Sign In</p> <p>All GRCS Campuses require that all non-GRCS employees sign in at the school office and obtain a visitor name tag which must be worn for the duration of their time in the building. Visitors need to sign out upon leaving.</p> <p>Drills</p> <p>State regulations require that we have fire, tornado, and lockdown drills during the school year. A log of each school's drills can be found here in accordance with Public Act 12 of 2014.</p> <p>Crisis Plan</p> <p>There is a comprehensive crisis management manual that addresses what the staff will do in case of various emergency situations. A copy of this manual is given to and reviewed with each staff member yearly. Necessary crisis documents are kept in a pouch hung by each classroom door. Copies are available to parents upon request to the school office.</p> <p>Grand Rapids Christian High School</p> <p>In order to maintain an appropriate level of security, exterior doors, including the student entrance, are locked during the school day and security cameras are in use. Students, parents, and guests can only access the building through the main office entrance during school hours. Propping doors or opening them to allow access to the building violates school security, and is grounds for disciplinary action.</p> <p>Tampering with security cameras is grounds for disciplinary action.</p> <p>To keep our campus secure, all visitors are required to check in with the attendance supervisor or the receptionist in the main office as soon as they arrive on campus. Items to be delivered to students and/or placed in students' vehicles must be approved by the attendance supervisor or the receptionist in the main office. To minimize disruption to classes, items brought in for students are delivered between class periods by school personnel.</p> <p>Students must be in supervised areas of the building while at school. After school, students are expected to leave the premises at 3:15 pm, unless they are participating in a school-supervised activity on the campus. In that case, they are to report directly to their assigned locations, remain there until the conclusion of their activity, and then leave the premises immediately following that end-time.</p>

Having a student absent for a day is better than exposing an entire classroom to a communicable disease. We are required to report the following immunization preventable diseases to the Health Department immediately upon diagnosis.</p> <p>PLEASE CONTACT US RIGHT AWAY IF YOUR CHILD CONTRACTS ONE OF THE FOLLOWING: COVID-19, Encephalitis, Haemophilus, Influenza- Type B, Hepatitis, Measles, Meningitis, Mumps, Pertussis (Whooping Cough), or Rubella.</p> <p>In an effort to keep the number of illnesses at school to a minimum please consider the following guidelines provided by the Kent County Health Department in determining the appropriate amount of time to keep your child home from school. Many illnesses do not require exclusion. However, children may be excluded if the illness prevents the child from participating comfortably in school activities or if there is a risk of spread of harmful diseases to others. Criteria include:</p> <ol style="list-style-type: none"> 1. Severely ill: A child that is lethargic or less responsive has difficulty breathing or has a rapidly spreading rash. 2. Fever: A child with a temperature of 101°F or greater AND behavior changes or other signs or symptoms (e.g., sore throat, rash, vomiting, or diarrhea). The child should not return until 24 hours of no fever, without the use of fever-reducing medications. 3. Diarrhea: A child has two loose or watery stools. The child should have no loose stools for 24 hours prior to returning to school. Exception: A healthcare provider has determined it is not infectious. Diarrhea may be caused by antibiotics or new foods a child has eaten. Discuss with a parent/guardian to find out if this is the likely cause. 4. Vomiting: A child that has vomited two or more times. The child should have no vomiting episodes for 24 hours prior to returning. Exception: A healthcare provider has determined it is not infectious. 5. Abdominal pain: A child with abdominal pain that continues for more than two hours or intermittent pain associated with fever or other symptoms. 6. Rash: The child with a rash AND has a fever or a change in behavior. Exclude until the rash subsides or until a healthcare provider has determined it is not infectious. Note: Rapidly spreading bruising or small blood spots under the skin need immediate medical attention. 7. Skin sores: A child with weeping sores on an exposed area that cannot be covered with a waterproof dressing.

8. **Certain communicable diseases:** Children and staff diagnosed with certain communicable diseases may have to be excluded for a certain period of time.

**These are general recommendations. Please consult your local health department for additional guidance on communicable diseases.*

First Aid

The school does not employ a medical nurse. The office staff has been assigned to distribute medication, handle emergencies, pass out band-aids, etc. Office staff and designated teaching staff have been trained in first aid and CPR. If a student has special circumstances, detailed information must be given to office staff.

Head Lice Policy

Although head lice do not cause great medical harm they are contagious and raise anxiety in students and families. We work to prevent the spread of head lice at school by checking the homerooms of students and siblings of students who have a confirmed report of head lice. Also, periodic checks are done in classrooms where there are students who have signs of head lice such as scratching or visible nits (eggs). Notification and treatment recommendations will be sent home in the event of a confirmed case. Students with head lice may not return to school until the condition is treated.

Immunization Policy

Grand Rapids Christian Schools, in accordance with Michigan law, requires that all students have and maintain adequate written records that a student has been immunized against illness required by Michigan statutes. Compliance with this policy is requested within 15 school days after admission. Thereafter, your student may be excluded from school. Students who are exempt from required immunizations for medical or nonmedical reasons must have a copy of the certified waiver on file in the school office before a student may be enrolled.

Chronic Health Conditions

Students with chronic health conditions (ie. diabetes, asthma, etc.) can enroll at Grand Rapids Christian Schools and are eligible for accommodations, modifications, interventions of the regular classroom, curriculum, or school activity with every effort made to provide them the same access to an education as students without disabilities. Designated staff are provided with appropriate training specific to procedures in order to assist students' needs.

Life-Threatening Allergy Policy

As a Christian school community, we have a legal and ethical obligation to follow a physician's recommendations to safeguard the health of students who have been diagnosed with a life-threatening allergy. Therefore, when students with life-threatening allergies are diagnosed and/or enrolled, GRCS may designate the campus and/or specific

classrooms as allergen-free zones. The office will notify all parents of the allergen-free zones on an annual basis or as changes arise. **Parent partnership is essential in implementing this policy in order to ensure the safety of our students.**

Allergy Identification and Communication

Parents/guardians must inform the school of known allergies through ParentVue verification or the school office. The school office will keep an updated list of students with allergies and inform relevant staff.

Peanut Policy (also applies to Tree Nut Allergies)

Evergreen | Iroquois | Rockford Elementary

GRCES maintains the right to declare a campus or classroom "Peanut-Free Zone" depending on the age of the allergic child and the severity of the allergy. (Peanut-Free Zone: Area where no products containing, processed with, or processed in a facility with peanuts is allowed due to risks of cross-contamination and accidental exposure.) School administration will partner with school staff and families to make final determinations on Peanut-Free Zones.

Grand Rapid Christian Elementary Schools relies heavily on parent partnership to implement the peanut policy. **When it is determined that a campus and/or specific classroom is designated as "Peanut-Free Zone", the following applies to all GRCES students and families in these classrooms:**

- No peanuts, tree nuts, or products containing them are allowed.
- Any activities involving food in common areas must be allergen-free.
- Children in classrooms who bring peanut products in their lunch will have these products removed and will be provided with a reasonable alternative if available.
- Parents will be notified if their child's classroom or grade is peanut-free or nut-free.

Applies to Staff at Grand Rapids Christian Elementary School and Staff of Elementary School-Aged Students:

- The school (in partnership with parents, health officials, and other agencies) will participate in ongoing school community education programs.
- The school will train staff on allergies, sources of allergens, avoidance techniques, identification of an allergic reaction in progress, and emergency response procedures.
- Teachers in classrooms where life-threatening allergies are present may confiscate food that poses a danger to another student and may provide a safe alternative if one is available.

- Peanuts or peanut-contaminated materials will not be utilized in any teacher-initiated activities (i.e. art projects, baking projects, games, etc.)

Grand Rapids Christian Middle School

Yearly, GRCMS has students who are diagnosed with severe and potentially life-threatening allergies to peanuts and nut products. As a Christian school community, we have a legal and ethical obligation to follow their physician's recommendations to safeguard their health.

GRCMS is not a completely nut-free school. When we are officially notified of a child's diagnosis and/or their need for this kind of accommodation, GRCMS will designate peanut-free/nut-free classrooms where no nut products of any kind are allowed into the classroom.

Medication Policy — Administration of Oral Medication

The act of administering oral medication to students constitutes the practice of medicine. Grand Rapids Christian Schools recognizes that the law authorizes school administrators, teachers, and other designated employees to administer oral medication when requested in writing by a parent, guardian, or adult student in accordance with the instructions and supervision of the student's physician.

In order to assist parents/guardians and adult students in promoting and maintaining the health of students and to maintain the highest possible level of functioning of impaired students, the Board of Education authorizes the administration of prescribed and non-prescribed oral medication to students by school administrators, teachers, or other school employees designated by the school administrator, pursuant to a written request of the students' parent/guardian or adult student. The oral medication must be administered in compliance with the instructions of a physician.

****If prescription medication is to be administered at school, We need a physician's authorization form completed by the prescribing doctor. This form can be found on the website, under a parent's login in ParentVue (called Forms).***

The Board recognizes that, as stated in the School Code of 1976, Act 451, S1178 "a school administrator, teacher, or other school employee designated by the school administrator, who in good faith administers medication to a pupil in the presence of another adult pursuant to written permission of the student's parents or guardian and in compliance with the instructions of a physician, is not liable in a criminal action or for civil damages as a result of the administration except for an act of omission amounting to gross negligence or willful and wanton misconduct.

Procedure for Administration of Medication:

Oral medication may be administered to students by school personnel only according to the following conditions:

			<ol style="list-style-type: none"> 1. The parent/guardian has requested the school in writing to administer medication in compliance with label instructions, and: <ol style="list-style-type: none"> a. Permanent written record is kept of all medication administered. Long-term medication shall be noted in the cumulative file at the time of transfer d. Medication is kept in a locked location e. The student's physician must have prescribed the medication and submitted written instructions for its administration f. Administration of medication must cease at the written request of the parent/guardian or at the end of the time period of the prescription g. Changes in the medication dosage may only be made according to the written instructions of the student's physician h. The student's parent/guardian shall provide the school with a renewal physician's order at least annually for students needing to receive medication over a length of time. Renewal orders are the responsibility of the parent/guardian. 3. Noncompliance with policy and rules will lead to discontinuation of the administration of medication at school <ol style="list-style-type: none"> a. Parents/guardians will be notified of students observed with or taking medication apart from this policy and rules b. Where conditions are not followed, staff may refuse to continue the administration of medication <p>NOTE: An aspirin-free pain reliever will only be administered to students with parental permission obtained on the Emergency Contact & Consent Form filed at the beginning of each school year.</p>

When Rockford Public Schools are closed, the Rockford Campus ONLY is closed.</p> <p>Emergency School Closings</p> <p>Should it be necessary, we have arranged with radio and television stations in the area to make announcements about school closings. It is best to be tuned in when weather conditions seem to warrant school closing. Radio stations include WOOD (105.7 FM), WCSG (91.3), WCUZ (101.3 FM). TV channels include WOOD TV8 and WZZM 13.</p> <p>School Principals will also send a cell phone text alert via our InTouch Student Notification System. You may also check the website at www.grcs.org. This decision rests with the Superintendent or his designee. The announcement might not mention “GR Christian Schools -Rockford Campus” but rather the “Grand Rapids Christian Schools”. Generally, school closing will be broadcast by 6:00 am. A link from the Principal will follow with learning activities for that day.</p>

School Privileges	Opportunities	GRCHS	Grand Rapids Christian High School affords students many privileges and opportunities. These opportunities include but are not limited to Social Events, Dances, <i>Winterim</i> Travel, Field Trips, etc. Students that are suspended from school, face disciplinary action, or are not in good academic and attendance standing may forfeit their participation in these opportunities.
Athletics	Opportunities	ALL GRCS GRCHS GRCMS Rockford Evergreen Iroquois	<p>Youth Sports</p> <p>Evergreen, Iroquois, Rockford Christian, GRCMS</p> <p>GRCS Youth Sports Department offers and advertises many different athletic opportunities for both GRCS students and the Grand Rapids community for preschool through 8th-grade. The Youth Sports website can be found here.</p> <p>Middle School Athletics</p> <p>Middle school athletics are available to all 5th through 8th graders (including Evergreen, GRCMS, and RCS). Students are encouraged to take advantage of this “no cut” opportunity to learn a new sport, be active and make friends. Opportunities will be advertised in the home bulletin or emailed directly by the GRCMS Athletic Director.</p> <p>Rockford Christian, GRCMS</p> <p>Various fall, winter, and spring sports are offered for all grades in middle school. Our athletic department has its own handbook which can be found here.</p> <p>Grand Rapids Christian High School</p> <p>Interscholastic, intramural and organization-level athletics are an important part of the school’s extracurricular program.</p> <ul style="list-style-type: none"> ● Interscholastic athletic programs for girls include basketball, bowling, cheerleading, cross country, golf, lacrosse, ski racing, sailing, soccer, softball, swimming, tennis, track and volleyball. ● Interscholastic athletic programs for boys include baseball, basketball, bowling, cross-country, football, golf, hockey, lacrosse, sailing, ski racing, soccer, swimming, tennis, track, volleyball and wrestling. <p>To support students’ involvement in those activities, the school’s weight room is open and staffed on a published schedule. The athletic director and the principal govern the high school athletic program.</p>

			<p>GRCHS athletics are conducted under the guidelines of the school, the O-K Conference, and the MHSAA. We believe that properly conducted interscholastic athletics can be educational and recreational, and can promote Christian values. That is our goal.</p> <p>All parents/guardians and athletes are strongly encouraged to read the guidelines regarding the athletes' training and conduct, which are outlined in the Handbook for Athletes and Parents.</p>
Clubs and Organizations	Opportunities	<p>Evergreen</p> <p>GRCMS</p> <p>GRCHS</p>	<p>Evergreen</p> <p>Occasionally special clubs and activities are offered for students for particular grade levels or at certain campuses. Dances	Opportunities	GRCHS	<p>Dance Procedures</p> <ul style="list-style-type: none"> • Students leaving early may not return to the dance and must leave school property.

			<ul style="list-style-type: none"> ● Students exhibiting inappropriate behavior will be sent home without a refund of their ticket and may be prohibited from attending future dances. ● Parent chaperones are there to assist and help supervise dances and should be respected by all attendees. ● All GRCHS rules apply at school-sponsored social events. ● Students are required to bring a valid school ID. ● Students attending social events must be appropriately dressed, demonstrate appropriate conduct, and show respect to all chaperones. ● Only current GRCHS students are admitted to school dances. If a student wishes to bring a guest, they may do so if permission is granted by a school administrator and a guest form has been completed. ● Smoking and drinking are prohibited at any school-sponsored activity. If students have been suspected of drinking, a breathalyzer will be used, their parents will be notified, and if necessary the police will be contacted. There will also be school discipline including suspension and social probation and possible expulsion. ● Students must have a positive attendance and behavior record at school to attend activities and dances.
Multiple Participation Guidelines	Opportunities	GRCHS	<p>Despite all efforts by the administration, scheduling conflicts may develop for students involved in multiple activities, curricular and extracurricular. When conflicts occur in scheduling school-related activities, these guidelines apply:</p> <ol style="list-style-type: none"> 1. Conflict between two scheduled activities: the student's first duty is to notify both coaches/sponsors as early as possible. The coaches/sponsors will attempt to resolve the conflict to best allow the student to participate in as many activities as possible. The student will then be advised of the recommendation or propose an equally acceptable alternative. 2. Conflict between a competition/performance and a scheduled practice: students will be expected to attend the competition/performance without loss of group membership or standing in the other activity. 3. Conflict between scheduled practices: the student will be expected to participate in one without loss of group membership in the other activity. Frequently missing practice sessions may jeopardize that, and the expectation is that the student attends both activities equally. 4. Conflict between competitions/performance: students may participate in one activity without loss of group membership or standing in the other activity.

			Note: There may be times when students may participate in one activity and part of another by arrangement with the coaches/sponsors.
New 2 You	Opportunities	ALL GRCS GRCHS GRCMS Rockford Evergreen Iroquois	New 2 You proudly supports Grand Rapids Christian Schools. Since its founding, New 2 You has raised millions of dollars to reduce tuition costs and help keep high-quality Christian education affordable for all. New 2 You relies heavily on volunteers and welcome additional volunteer commitments to continue to serve GRCS students and families.
Parent Involvement	Opportunities	ALL GRCS GRCHS GRCMS Rockford Evergreen Iroquois	<p>Christian education is a partnership between parents and the school. Parents are valued as active partners and are encouraged and expected to be involved in the school experience of their children, to assist them with school work as necessary, to provide positive home conditions for learning, and to attend and participate in conferences, concerts, and special presentations.</p> <p>There are numerous opportunities for parental involvement at school, such as assisting with class trips or special class activities, serving as tutors for students, volunteering in classrooms, office, library, serving on advisory teams, and assisting with PTO projects, events, and fundraisers. Specific information about these opportunities can be obtained from school staff. Educational research continues to indicate that parental involvement is essential to provide students with an excellent academic program.</p> <p>Learn more about how parents can get involved here.</p> <p>Evergreen and Iroquois</p> <p>The mission of the Grand Rapids Christian Elementary School Parent Teacher Organization (GRCES PTO), in recognizing every student is a gift from God, is to complement the curriculum; enhance, enrich, and encourage the education of all students as well as support our staff and the GRCES community. Deposits can be made free of charge credit card here or by check or cash through the school office.</p>
Recess	Student Services	Evergreen Iroquois Rockford GRCMS	<p>Students are expected to spend their recess time outdoors. Please send your students dressed appropriately for the weather. In the summer this includes sunscreen and in the winter snow pants, coat, boots, hat, and gloves/mittens. Please clearly mark these items with your student's name or initials. The school assumes no responsibility for lost items. In the case of a severe weather warning or inclement weather, including temperature OR wind chill that has fallen below zero, children will be allowed to stay indoors.</p>
Student Support Services	Student Services	ALL GRCS GRCHS GRCMS Rockford Evergreen Iroquois	<p>Grand Rapids Christian Schools seeks to support and celebrate the gifts and abilities of all learners. Because of our commitment to ensure academic, social, and spiritual growth for all students, Grand Rapids Christian Schools offers Student Support Services for those learners who may benefit from additional support in meeting their individual goals. Student Support Services provides support for students in order that they may reach their full academic and social potential. We offer comprehensive programming which includes Educational Support Services, Inclusion Services, and services for students with academic talents.</p> <p>Based on our use of a Response to Intervention (RTI) tiered-instructional framework, our support service staff members provide educational support for students who require inclusion services, remediation, an academic boost, and/or enrichment. The Student Support Services program has a wide variety of resources available, including access to psychological and educational diagnostic testing.</p> <p>Through a partnership with Grand Rapids/Rockford Public Schools, students who qualify can receive the following special services:</p> <ul style="list-style-type: none"> ● Speech Therapy ● Physical Therapy ● Occupational Therapy ● Social Work <p>Grand Rapids Christian High School Student Support Services</p> <p>Educational Support Services</p>

		<p>At Grand Rapids Christian High School, we understand that each learner is unique. We provide support for the strengths and struggles that each student brings to the learning environment. A deep understanding of each student allows us to tailor our instruction in order to provide targeted intervention, remediation, and accommodation as needed. By utilizing a multi-tiered system of support, our general education and support services staff are able to provide early effective intervention to students who are having difficulty meeting academic benchmarks. Using achievement data, students who demonstrate difficulties are identified early, provided with interventions, and monitored frequently for adequate progress.</p> <p>Depending on a student's response to receiving these targeted interventions, they may be formally evaluated to determine if there is a specific learning or other disability present. These students may then benefit from additional intervention, increased instructional support, remediation, and/or educational accommodations.</p> <p>Grand Rapids Christian High School is served by a coordinator who is responsible for collaborating with general education staff to ensure that the educational goals for all students who receive additional support, remediation, and accommodations are fully met. In addition, we are blessed to have many staff members on our support services team who are hired as support aides to assist students within the general education classroom or in small-group instructional settings.</p> <p>Social Work</p> <p>School social work support is available to all students to promote educational success by helping students navigate the social and emotional challenges that arise throughout high school. The school social worker provides a range of interventions that are offered systematically and based on student needs.</p> <p>These services include consulting with school staff about student concerns, developing and implementing interventions to increase academic engagement, assisting students in crisis situations, providing preventative presentations to classrooms, and meeting with students one-on-one or in groups to help process various challenges in a safe and supportive environment. Parents and guardians of students who receive school social work services benefit from an open line of communication with the school social worker in order to monitor and advance student progress.</p> <p>While school social workers are unable to provide intensive therapy, a facet of the role includes communicating with counselors/therapists who provide therapy to students outside of school. If a student has a significant area of concern beyond the scope of a school social worker, families are connected with resources in the community.</p> <p>Counseling Office</p> <p>The Grand Rapids Christian High School counselors serve students and parents to ensure a positive experience academically and socially at GRCHS.</p> <p>Counselors meet with students regularly throughout the course of their high school careers and are here to support students for whatever needs may arise.</p>

Responsibility of Students Riding School Buses

To promote good conduct and safety on the bus, any student reported by the bus driver or supervising staff as not honoring school behavior expectations on the school bus will be summoned to the office and warned of penalties involved for behavior infractions. The rules of conduct for school bus passengers are outlined below.

1. Be at the bus stop five minutes early, both morning and evening. (The driver is responsible for maintenance of the bus schedule and cannot wait for tardy pupils.)
2. No sleds are allowed on the bus.
3. Stand back from the curb edge or roadway - stand quietly.
4. Wait until the bus has come to a complete stop before attempting to get on or off the bus.
5. Be seated and refrain from moving around while the bus is in motion.
6. No pushing or loud talking.
7. Profanity will not be tolerated.
8. Keep hands and head inside the bus at all times.
9. Keep the bus clean and orderly - never put anything in aisles. (Throwing articles out of the bus is strictly prohibited.)
10. Enter and leave the bus at the front door (except in cases of emergency).
11. Emergency doors are for emergency use only. Do not tamper with them.
12. Obey the driver at all times.

The driver has been ordered to enforce the above regulations. They report all violations, and transportation may be denied. Written permission to ride again would be necessary from the school principal.

Bus Misconduct Notice

1. Reported first offense: Student conversation with building principal and written notification to parents.
2. Reported 2nd offense: Three to five day bus suspension, student conversation with building principal, and written notification to parents.

			<p>3. Reported 3rd offense: Minimum of one week bus suspension and parent/student conference with building principal.</p> <p>*Building principals have the discretion to move to 2nd offense or 3rd offense consequences instead of 1st offense consequences based on the severity of student behavior.</p>

- If a student with a registered parking permit drives a different vehicle on a given day, they are required to register the temporary vehicle in the office.
- If you change a car during the year, you must register the new car in the office. You can transfer the sticker to the new car or request a new sticker.
- Student vehicles are to be parked properly in designated white line parking spaces, in the student parking areas. Please note: The service drive on the east side of the school is a fire lane and may not be used for parking. Cars must park in the student parking areas, not in the visitor spaces, yellow-lined spaces, or in the staff lot.
- Cars not normally driven to school must be registered with a day permit in the school office either the afternoon before or at the beginning of the school day.
- The Shawnee Church circle drive and lower lot are off-limits to the school. The school service drive and bus turnaround circle may not be used by students for parking. In order to be a good neighbor and because of the congested traffic situation on the narrow streets surrounding the school, student parking on streets is not allowed.

Violations

- Students who drive unregistered vehicles to school will be fined \$15.00.
- Students who park a registered or unregistered vehicle on one of the streets near the school, such as Plymouth, Tecumseh, Okemos, Menominee, and Tekonsha will be subject to \$15.00 parking fines.
- Parking in the areas designated for staff or visitors results in a \$15.00 fine.
- Student parking is not allowed:
 - Outside white-lined parking spaces
 - In yellow-lined parking spaces
 - On curbed areas designated as Fire Lanes
 - On curbed areas painted blue or yellow
 - On sidewalks or other walkways
