**Our Commitment to Diversity, Equity, Inclusion and Social Justice**

Diversity, Equity, Inclusion and Justice (DEIJ) work at UNIS Hanoi is ongoing. Everyday, we are building a stronger school community through efforts to become a more diverse, equitable and inclusive school for all members of our school community. We believe that our students reach personal and academic excellence when they are part of a supportive community that values and champions diversity, equity and inclusion and advocates for social justice. This commitment is anchored by having a faculty and staff who reflect the diversity of our world. As such, we encourage applications from all educators with the relevant qualifications and experience, including those who identify as BIPOC (Black, Indigenous, and people of color), educators with (dis)abilities, LGBTQ+ educators and others of diverse backgrounds, to apply to join our UNIS Hanoi community.
