Pages for Pizza!

We are expanding our reading incentive program called “Pages for Pizza.” We launched this as a pilot program during summer school in partnership with Marco’s Pizza here in Crosby. We’re now expanding it this fall for students in kindergarten through 5th grade. Our young readers will have goals for the amount of pages read to earn a free pizza at Marco’s. We want to thank Marco’s franchise operator, Mr. Clarence Howell, for his support.

P3 Anonymous Alerts

Crosby ISD utilizes the P3 Campus Alerts App for anonymous tip reporting. P3 stands for Protect, Prevent, Participate. The program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns. You can make a report now in less than 5 minutes.

WHAT IS THE P3 CAMPUS ALERT APP?

The P3 Campus Alerts App is a reporting system to help combat bullying and other safety concerns by empowering students or parents to make anonymous reports. The system allows for one-way or two-way anonymous encrypted communications between submitters (students or parents) and campus/district administration and school staff. Users have the option to remain anonymous or include their identity when submitting a report.

HOW TO ACCESS THE APP

Send reports over web or internet

You can also download the P3 Campus app for your mobile phone

Apple Store

Google Play

HOW TO SEND A REPORT

To send reports over the internet, go to **www.p3campus.com**

To send a report from your phone:

- Download the P3 Campus Alerts app for free from the Apple Store or Google Play.
- Start the app.
- Select Crosby ISD Submit report
- Add screenshot, photo, or video about the incident

HOW ALERTS ARE HANDLED

Reports will be addressed by a trained team of school officials and law enforcement, when necessary. Reports are monitored 24/7 to ensure that time-sensitive matters are dealt with promptly. Reports made through the P3 Campus mobile app, unlike SMS text reports, have no length limitations or the need to remember a short code. Additionally, when reporters use the mobile app, they are notified when action has been taken on their report, which demonstrates the value of their time and concern. In both the web browser and app form, reporters can attach photos, screenshots, videos, documents or audio recordings.

From the Harris County Office of Sustainability:

Attention: Residents of Harris County, Texas.

YOU (yes, you!) are invited to join us at one of our upcoming community workshop meetings across the County. We will share out the data and plan we have so far from the hundreds of folks who shared their values, visions, and ideas for how we make Harris County safe, healthy, and sustainable for ALL our families and neighbors.

Our goal is to fine tune the Climate Justice Action Plan using YOUR input and perspectives one last time. This is a plan that is by us and for us, and it is being led by folks from all across the County collaborating for a just and equitable future.

Our five themes for how we prepare for the future are:

1. Ecology
2. Infrastructure
3. Economy
4. Community
5. Culture

We will break down each theme by exploring:

- What initiatives Harris County is currently undertaking.
- What additional actions Harris County can implement.
- What contributions are needed from the community.
- What roles should be taken on by other partners, groups, governments, and organizations.

Join us at one of the five following community workshop meetings:

1. Thursday, September 5th, 6:00 - 7:30PM Emancipation Park (3018 Emancipation Ave)
2. Saturday, September 7th, 10:00AM - 12:00 pm Bayland Community Center (6400 Bissonnet St)
3. Saturday, September 14h, 10:00AM - 12:00 pm BakerRipley Pasadena (720 Fairmont Pkwy)
