State of the District

On Wednesday, August 14, Superintendent Patterson delivered the 2024 State of the District address to members of the Chamber of Commerce, local pastors and faith leaders, business owners, parents, and community members.

Superintendent Patterson thanked the community champions for all they had done and will do for the students and families of Crosby ISD this school year. "We could not have done the work without the people in this room. I want to say 'Thank you.' We need these partnerships, because these are our kids. Thank you for what you do, and thank you for being amazing."

Superintendent Patterson updated the community members on changes to academics. "We are working on 3 ways to improve student achievement this year. Number 1: Write a little a lot. We're not asking students to sit down and write a 5-page essay. Writing a little a lot will build their writing ability, their skills, and their stamina. Number 2: providing better instruction, and Number 3: more time on task."

Superintendent Patterson also spoke about the district's non-deficit budget approved by the Board of Trustees for the 2024-25 school year. "In the state of Texas this year, there aren't many districts like us. Most of my colleagues passed a deficit budget." It's estimated about 80% of school districts in Texas are operating in the red this fiscal year.

Reflecting on her childhood in Crosby/Barrett Station, Superintendent Patterson talked about how little the roads in our communities have changed since she was a student in Crosby ISD. The infrastructure has not kept up in this area of unincorporated east Harris County. "That is just something to keep in mind when we're talking about traffic patterns and what's inconveniencing us, it is because we're not what we were. And the infrastructure hasn't really changed."

In the end, the most important stakeholders are our students. Superintendent Patterson said, "one thing that sets Crosby ISD aside from others is that we have great kids."

New Communications Platform in Crosby ISD

Dear Crosby ISD Parents/Guardians/Staff,

We are excited to announce that we adopted a new form of school-to-home communication at Crosby ISD called ParentSquare. Every campus in Crosby ISD will use this new communication tool starting in the 24-25 school year. This unified communications platform is designed to keep parents and guardians informed and encourage greater engagement and connection with your child's school and teachers. It provides a safe way for district administrators, school principals, teachers, staff, and parents to:

- Send and receive school and class information
- Share pictures and files
- See calendar items
- Sign up to volunteer
- Schedule parent-teacher conferences
- and much more . . . all in one centralized place!

All district and school, grade level and classroom information will now be sent to your computer or phone via email and/or text. For even more convenience, download the ParentSquare app (available for free for iOS and Android devices).

In the coming weeks and months, we will share introductory videos and how-to guides to get you signed up. We are looking forward to streamlining communication throughout Crosby ISD.

Teachers will be able to communicate with their high school and middle school classes through the StudentSquare app, a subset of the ParentSquare app. StudentSquare allows students to receive assignments and engage in classroom assignments. The StudentSquare app is available in the Apple or Google Play Stores.

"Write a little a lot" Award

Congratulations to Collin Dodson, Crosby Middle School's first winner of the Weekly Write a Little a Lot contest! Collin won this week with a Haiku!

CMS embraced the three ways Crosby ISD is working to improve student achievement.

1. Write a little a lot
2. Better Instruction
3. More time on task

Writing a little a lot will build their writing ability, their skills, and their stamina.

Thank you, CMS, for embracing the concept and running with it. As Superintendent Patterson said, "Excellent job bringing life to the goals! Kudos to CMS!"

Pages for Pizza!

We are expanding our reading incentive program called “Pages for Pizza.” We launched this as a pilot program during summer school in partnership with Marco’s Pizza here in Crosby. We’re now expanding it this fall for students in kindergarten through 5th grade. Our young readers will have goals for the amount of pages read to earn a free pizza at Marco’s. We want to thank Marco’s franchise operator, Mr. Clarence Howell, for his support.

Crosby High Running Back selected for the Houston Touchdown Club's Preseason Football Team

Crosby High School varsity football running back Wesley Yarbrough was honored as one of 37 Houston-area high school football players selected as the Touchdown Club of Houston's UIL High School Preseason Football Team for the 2024 season. Yarbrough, who is #2 on the Cougars varsity squad, and the other honorees were recognized during the Touchdowner of the Year event last week at the Bayou City Event Center. The Touchdown Club of Houston chooses among the high school standouts by studying film, examining recruit chatter, and using preseason rankings. Yarbrough has committed to Big 12 contender, the University of Arizona, to continue playing ball at the collegiate level. The Touchdown Club of Houston honor cements Yarbrough's status among elite high school student-athletes. Congrats, Wes!

Cougar Stadium Turf & Track Update

Cougar Stadium is receiving a facelift. The district is replacing the original turf field at Cougar Stadium. The new turf will be sturdier, stronger, more shock absorbent, and safer for student-athletes. The new turf is also more heat-resistant than the original turf, feeling about 35 degrees cooler on average than the original turf. Last week, crews installed the Cougar logo as well as the 50-Yard Line. The numbers are cut out of white turf stencils then placed into the field by a combination of sewing and gluing. The district has also started the process to replace the track at Cougar Stadium. The new track will be completed following the conclusion of the high school football season.

P3 Anonymous Alerts

Crosby ISD utilizes the P3 Campus Alerts App for anonymous tip reporting. P3 stands for Protect, Prevent, Participate. The program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns. You can make a report now in less than 5 minutes.

WHAT IS THE P3 CAMPUS ALERT APP?

The P3 Campus Alerts App is a reporting system to help combat bullying and other safety concerns by empowering students or parents to make anonymous reports. The system allows for one-way or two-way anonymous encrypted communications between submitters (students or parents) and campus/district administration and school staff. Users have the option to remain anonymous or include their identity when submitting a report.

HOW TO ACCESS THE APP

Send reports over web or internet

You can also download the P3 Campus app for your mobile phone

Apple Store

Google Play

HOW TO SEND A REPORT

To send reports over the internet, go to **www.p3campus.com**

To send a report from your phone:

- Download the P3 Campus Alerts app for free from the Apple Store or Google Play.
- Start the app.
- Select Crosby ISD Submit report
- Add screenshot, photo, or video about the incident

HOW ALERTS ARE HANDLED

Reports will be addressed by a trained team of school officials and law enforcement, when necessary. Reports are monitored 24/7 to ensure that time-sensitive matters are dealt with promptly. Reports made through the P3 Campus mobile app, unlike SMS text reports, have no length limitations or the need to remember a short code. Additionally, when reporters use the mobile app, they are notified when action has been taken on their report, which demonstrates the value of their time and concern. In both the web browser and app form, reporters can attach photos, screenshots, videos, documents or audio recordings.

Community Events

On Saturday, September 7th, Congressman Dan Crenshaw will be hosting his Summit for Emerging American Leaders (SEAL) at the John Cooper School. This is a non-political event put on by the Congressman's Official Office. The event will have speakers from all over the country teaching the students important civic and leadership skills such as understanding healthcare, knowing which level of government to call or notify when needed, the future of AI, and how to hold yourself accountable while still achieving success.

The students will receive a Congressional Commendation for their participation that they will be able to not only cherish but include on resumes and college applications! All Crosby High School students are welcome and encouraged to attend. They can either be nominated by a teacher or administrator, a parent, or anyone else, or the students can also register themselves using this link: <https://crenshaw.house.gov/congressional-youth-summit>.
