There are step-by-step instructions for Verification of Returning Students here: www.crosbyisd.org/verification

Verification/Registration is done online and must be completed for every student in the District prior to the start of the new school year. We recommend you complete this process on a computer rather than a phone, since the larger screen makes it easier to see the forms.

The Verification/Registration process allows you to ensure the information we have on file is accurate.

Please share this email if you know any parents/guardians of students who are new to Crosby ISD and may not receive this newsletter. Thank you and we look forward to students starting the 2024-2025 School Year on Thursday, August 8, 2024. Thank you.

Por favor verifique/registre a su estudiante para el nuevo año escolar.

Registro = Estudiantes nuevos en Crosby ISD
Verificación = Estudiantes que regresan

Todas las familias deben completar este proceso para cada niño antes de que pueda comenzar la escuela el 8 de agosto. Es fundamental que se tome el tiempo para registrar a los estudiantes. El proceso de inscripción de nuevos estudiantes ahora está disponible en línea a través de Skyward Family Access. El proceso suele tardar menos de 10 minutos por niño.

Todas las familias deben cargar un comprobante de residencia de cada estudiante, independientemente de si el estudiante regresa o es nuevo.

Formas Aceptables de Prueba de Residencia

Factura de Electricidad, Agua, Gas Natural (sin facturas de propano), o Factura de Cable (solo facturas vigentes, no se aceptarán avisos de desconexión), Contrato de Arrendamiento firmado dentro de los últimos 30 días. Hay instrucciones paso a paso para la inscripción de nuevos estudiantes aquí: www.crosbyisd.org/registration

Hay instrucciones paso a paso para la verificación de estudiantes que regresan aquí: www.crosbyisd.org/verification

La verificación/registro se realiza en línea y debe completarse para cada estudiante del Distrito antes del inicio del nuevo año escolar. Le recomendamos completar este proceso en una computadora en lugar de un teléfono, ya que la pantalla más grande facilita la visualización de los formularios.

El proceso de Verificación/Registro le permite garantizar que la información que tenemos archivada sea precisa.

Comparta este correo electrónico si conoce a algún padre/tutor de estudiantes nuevos en Crosby ISD y es posible que no reciba este boletín. Gracias y esperamos que los estudiantes comiencen el año escolar 2024-2025 el jueves 8 de agosto de 2024. Gracias.

Crosby High School Expansion Groundbreaking on July 29

Crosby/Barrett Station community members are invited to attend the groundbreaking ceremony for the expansion of Crosby High School. The ceremony will be Monday, July 29, 2024, at 6pm. Parking is available at the baseball/softball complex behind CHS. The new academic wing and CTE space are expected to open in late 2025.

Update - July 16, 2024 - Crews have started to moving earth for the new additions to Crosby High School! We will have room for 900 more students once the project is completed in late 2025. The new academic wing will feature two floors, each with 16 classrooms and 4 labs, for a total of 32 classrooms and 8 labs. The CTE (Career and Technical Education) section of Crosby High School will also be expanded to the south side to accommodate more welding booths and essential tools for industrial trade education. The construction is happening behind CHS, and it should not disrupt traffic flow once the new school year begins. CISD will have a formal groundbreaking ceremony later this month, but we didn't want to wait for the hurricane to pass before starting the work.

¡Los equipos han comenzado a mover tierra para las nuevas incorporaciones a Crosby High School! Tendremos espacio para 900 estudiantes más una vez que se complete el proyecto a fines de 2025. La nueva ala académica contará con dos pisos, cada uno con 16 aulas y 4 laboratorios, para un total de 32 aulas y 8 laboratorios. La sección CTE (Educación profesional y técnica) de Crosby High School también se ampliará hacia el lado sur para dar cabida a más cabinas de soldadura y herramientas esenciales para la educación en comercio industrial. La construcción se está llevando a cabo detrás de CHS y no debería interrumpir el flujo de tráfico una vez que comience el nuevo año escolar. CISD tendrá una ceremonia formal de inauguración a finales de este mes, pero no queríamos esperar a que pasara el huracán para comenzar el trabajo.

ALL students are encouraged to spend a minimum of 20 minutes a day reading throughout the summer.

Students entering an Honors or AP English course, Grades 7-12, are required to read a common title over the course of the summer. Grade level appropriate titles are carefully selected by teachers to serve as foundational texts to begin the school year. Académicos Avanzados de Secundaria de Crosby ISD (Honores y AP)
Lectura de verano obligatoria de artes del lenguaje inglés 2024
DESCARGA LA LISTA DE LECTURA AQUÍ

Pasar tiempo con los libros durante el verano es importante para todos los estudiantes. La lectura de verano puede brindar a los estudiantes la oportunidad de practicar habilidades que de otro modo se perderían durante el verano, fomentar la indagación y la erudición (lo que conduce al aprendizaje permanente), así como ayudar a desarrollar el amor por la lectura y la conversación sobre textos. Se anima a TODOS los estudiantes a pasar un mínimo de 20 minutos al día leyendo durante el verano.

Los estudiantes que ingresan a un curso de inglés de Honores o AP, grados 7 a 12, deben leer un título común durante el transcurso del verano. Los maestros seleccionan cuidadosamente los títulos apropiados para el nivel de grado para que sirvan como textos fundamentales para comenzar el año escolar. Los títulos se eligen por su mérito literario, así como por su estructura y temas en relación con las habilidades de análisis y síntesis y las expectativas del examen AP. Cada título se lee comúnmente en cursos de artes del lenguaje de secundaria en todo el país. Muchas selecciones son ganadoras de múltiples premios y están conectadas a unidades de nivel de grado en myPerspectives, libros de texto aprobados por la Junta de Educación del Estado y adoptados por CISD para artes del lenguaje inglés en secundaria.

Se anima a los estudiantes que ingresan al sexto grado con honores en artes del lenguaje inglés en el otoño a experimentar una amplia variedad de textos durante el verano y a mantener una lista de los libros que leen para compartir con sus maestros y compañeros de clase cuando comience el nuevo año escolar. Se anima a las familias a pasar tiempo leyendo con sus estudiantes durante el verano.

Los estudiantes que ingresan a los grados 7-8 con honores en artes del lenguaje inglés, inglés con

literatura y composición AP (grado 12) deben leer el selección de texto designado para su curso.

Los diarios dialécticos se recopilarán a partir del primer día de clases. Durante las primeras nueve semanas de clases, los estudiantes serán responsables de su lectura de verano a través de tareas y tareas en el aula calificadas y no calificadas. Alentamos a nuestros estudiantes a pasar el verano LEYENDO y a estar preparados para comenzar a trabajar en su selección de textos, junto con sus maestros y compañeros de clase, cuando comience el nuevo año escolar.

Entering Grade 12 AP ELA (AP Literature and Composition) Summer Contact(s): Ms. Maegan Hensley mhensley@crosbyisd.org	***The Nightingale*** by Kristin Hannah This is the *New York Times* bestseller and *Wall Street Journal* Best Book of the Year about love and strength in the face of war. Part 2: Dialectical Journal Directions

Dialectic means "the art or practice of arriving at the truth by using conversation involving question and answer." A dialectical journal is used to arrive at the "truth" of a written work by responding in writing to quotations from that work. While you read your chosen novel, respond to the work by using this journal format. The different response types will guide you through the reading & thinking process to help develop your ideas and express them on paper.

Requirements:

- ☐ Create 10-15 entries, distributed equally throughout the book of your choice.
- ☐ Clearly title the chosen response type for each entry (listed below).
- ☐ Respond to each response type (listed below) at least once.
- ☐ Write a 5-8 sentence analysis that specifically connects to one of the response types.
- ☐ When finished, you may either save your work as a Google Doc (to upload to Schoology at school) OR provide a handwritten copy of your work.

Response Types:

- ➔ **Connection:** Make a connection to your life, the world, another part of the text or another text. Why is this connection significant? *This passage connects with….because… This connection is significant because…*
- ➔ **Reflection:** Think deeply about what the passage means in a broad sense--not just to the character in the story. What conclusions can you draw about the world, human nature, or the way things work? *This passage/moment seems to suggest… When I reflect...*
- ➔ **Author's Craft:** Analyze the text for use of literary devices (imagery, symbolism, figurative language, tone, etc). How does the device impact meaning? *The author uses _____ to… The tone/mood of the passage is...this creates/develops…*
- ➔ **Character Analysis:** What does the character do or say that seems important? Reach a conclusion about the character based on evidence and inference. Is the character changing or growing? *The changes in (character's name) occur because… The motives of (character's name) are...and are important because… When it comes to the relationship of these characters...*
- ➔ **Theme Analysis:** What is the universal message (complete statement, NOT one word) is the author trying to reveal through the characters, conflicts and events in the text? *The author's message/theme seems to be…. The author wants the reader to learn…*
- ➔ **Point of View Analysis:** What point of view is the story written in (1st, 2nd, or 3rd)? Who is the narrator in this story? What is the narrator's importance, and how does the narrator impact the text? How might the text change if the narrator was different? *The story is written in _____person point of view... The narrator is … The narrator is important because _____ and impacts the text by … The text would change if the narrator was different because...*

Dialectical Journal Example and Grading Rubric:

Chapter & Page	Quote:	Analysis:
Ch #; Pg #	Pick a quote that has meaning or significance to you. A good quote will make you stop and think.	Explain why this quote is significant by using the Response Type descriptions and/or sentence starters. **Title each entry with the corresponding response type.**
Example	"The news spread through Sighet like wildfire" (Wiesel 9).	**AUTHOR'S CRAFT**: The literary device used in this quote is a simile and it illustrates how news is able to spread through a town quickly. The news about deportation caused people to talk about it and, like a wildfire, it consumed their thoughts and conversations. I also think it's significant to note how destructive wildfire can be, just like the German presence in Sighet eventually became. It's so sad that nobody took action after this warning, even though it obviously scared them. The overall impact of this simile not only emphasizes the pace and destruction the news and presence of German soldiers had on the people of Sighet, but it also begins the motif of fire which we shall see come up again and again in the book. So in the end, this seemingly simple turn-of-phrase and simile is actually also symbolism, foreshadowing and a recurring motif of Wiesel's memoir.

Grading Rubric:

4 (100%)	3 (85%)	2 (60%)	1 (50%)	0
Effective and substantial	Adequate and clear	Inconsistent and/or weak	Minimal	No work was turned in
