Crosby ISD Board of Trustees approves non-deficit budget

On Monday, June 24, 2024, the Crosby ISD Board of Trustees approved a non-deficit budget for the 2024-25 fiscal year. Non-deficit budgets are a growing rarity among school districts in Texas.

Throughout the budget workshop process this spring, the Board of Trustees heard from both Superintendent, Mrs. Paula Patterson, and Chief Financial Officer, Ms. Yvonne Johnson, on how the administration is solidifying a bright financial future. Superintendent Patterson told the Board, “We did not adopt a deficit budget this current school year. This is not what you’re hearing from many others. We’re only one of about 20% of districts that do not have deficit budgets in the state of Texas.”

During the budget workshop in February, CFO Johnson explained that the tax rate for Crosby ISD taxpayers has decreased by a total of 43 cents per $100 valuation during the past six years. The budget workshop process followed a major update in December 2023, when CFO Johnson outlined a major fiscal achievement for Crosby ISD. The school district achieved its highest School FIRST (Financial Integrity Rating System of Texas) rating in more than five years, scoring a 96 or Superior Achievement for the 2021-22 fiscal year. (School FIRST ratings are given for the prior fiscal year, meaning 2021-22 ratings are issued during the 2023-24 school year.) CFO Johnson shared the School FIRST report during a public hearing at the Board of Trustees meeting on Monday, December 18, 2023.

Following the Board’s approval of the 2024-25 budget, Superintendent Patterson added, “Crosby ISD went through financial, emotional, and community trauma during the 2018-2019 school year, when the Board declared financial exigency. More than 100 staff members were laid off as part of the RIF (Reduction-In-Force). As this spring’s budget process and December’s School FIRST public hearing have shown, we are moving in the right direction. The rebound has been slower than anyone would have liked, but we have continued to be good stewards of taxpayer dollars. Crosby ISD has a bright financial future. The headwinds we faced in 2017 are now what many other districts are starting to endure. We are proud to have helped to right the ship, and now we are

better positioned to respond to the challenges and opportunities of student achievement, growing enrollment, and subdivision development. I am proud of the fiscal path we have cemented in Crosby ISD."

The 2024-25 fiscal year budget includes a 3% raise from midpoint for Crosby ISD employees. The starting salary for teachers was increased by $1,625 from $63,025 to $64,650. Starting pay for bus drivers and bus aides was increased as well. The 24-25 general fund budget is $74.1 million. For the 2023-24 school year, Crosby ISD had approximately 6900 students enrolled. The district expects enrollment to surpass 7000 during the 2024-25 school year.

El lunes 24 de junio de 2024, la Junta Directiva de Crosby ISD aprobó un presupuesto sin déficit para el año fiscal 2024-25. Los presupuestos no deficitarios son una rareza cada vez mayor entre los distritos escolares de Texas.

A lo largo del proceso del taller presupuestario de esta primavera, la Junta Directiva escuchó a la Superintendente, Sra. Paula Patterson, y a la Directora Financiera, Sra. Yvonne Johnson, sobre cómo la administración está solidificando un futuro financiero brillante. El superintendente Patterson dijo a la Junta: "No adoptamos un presupuesto deficitario este año escolar en curso. Esto no es lo que escuchas de muchos otros. Somos sólo uno de aproximadamente el 20% de los distritos que no tienen presupuestos deficitarios en el estado de Texas."

Durante el taller sobre presupuesto en febrero, el Oficial Principal de Finanzas Johnson explicó que la tasa impositiva para los contribuyentes de Crosby ISD ha disminuido en un total de 43 centavos por cada valuación de $100 durante los últimos seis años. El proceso del taller presupuestario siguió a una actualización importante en diciembre de 2023, cuando el Oficial Principal de Finanzas Johnson describió un logro fiscal importante para Crosby ISD. El distrito escolar logró su calificación más alta de Escuela FIRST (Sistema de Calificación de Integridad Financiera de Texas) en más de cinco años, con una puntuación de 96 o Logro Superior para el año fiscal 2021-22. (Las calificaciones de School FIRST se otorgan para el año fiscal anterior, lo que significa que las calificaciones de 2021-22 se emiten durante el año escolar 2023-24). El Oficial Principal de Finanzas Johnson compartió el informe de School FIRST durante una audiencia pública en la reunión de la Junta Directiva el lunes 18 de diciembre, 2023.

Tras la aprobación del presupuesto 2024-25 por parte de la Junta, el Superintendente Patterson agregó: "Crosby ISD pasó por un trauma financiero, emocional y comunitario durante el año escolar 2018-2019, cuando la Junta declaró una exigencia financiera. Más de 100 miembros del personal fueron despedidos como parte del RIF (Reducción de Personal). Como lo han demostrado el proceso presupuestario de esta primavera y la audiencia pública de School FIRST de diciembre, estamos avanzando en la dirección correcta. La recuperación ha sido más lenta de lo que a nadie le hubiera gustado, pero hemos seguido siendo buenos administradores del dinero de los contribuyentes. Crosby ISD tiene un futuro financiero brillante. Los vientos en contra que enfrentamos en 2017 son ahora los que muchos otros distritos están empezando a soportar. Estamos orgullosos de haber ayudado a enderezar el rumbo y ahora estamos mejor posicionados para responder a los desafíos y oportunidades del rendimiento estudiantil, el aumento de la

inscripción y el desarrollo de subdivisiones. Estoy orgulloso del camino fiscal que hemos cimentado en Crosby ISD."

El presupuesto del año fiscal 2024-25 incluye un aumento del 3% desde el punto medio para los empleados de Crosby ISD. El salario inicial de los docentes se incrementó en $1,625, de $63,025 a $64,650. También se aumentó el salario inicial para los conductores y asistentes de autobús. El presupuesto del fondo general 24-25 es de $74,1 millones. Para el año escolar 2023-24, Crosby ISD tuvo aproximadamente 6900 estudiantes matriculados. El distrito espera que la inscripción supere los 7000 durante el año escolar 2024-25.

Registration / Verification now open for the 24-25 Year

The district has opened verification for returning students and registration for students who are new to Crosby ISD. We're hoping parents can register new students for the 2024-2025 School Year, and check one thing off your summer to do list.

Registration = Students who are new to Crosby ISD
Verification = Returning Students

All families must complete this process for each child before he or she can begin school in August. It is critical you take the time to register students. The process for Registration of New Students is now available online via Skyward Family Access. The process typically takes less than 10 minutes per child.

All families must upload proof of residency for each student, regardless if the student is returning or new.

Acceptable Forms of Proof of Residence

Electricity, Water, Natural Gas (no propane bills), or Cable Bill (Current Bills only, disconnect notices will not be accepted), Lease Agreement signed within the last 30 days. Government Benefits Mail (Disability, SNAP, etc.), Warranty Deed signed within last 30 days. Crosby ISD will not accept any insurance bills or phone bills as proof of residence.

Please verify that:

1. Your student's data is correct.
    1. Please note that all families must upload proof of residency for each student. A recent utility bill in the name of a parent/guardian is preferred.
2. Update any important data that has changed, including but not limited to:
    1. Contact phone numbers
    2. Emergency contacts
    3. Student health history
3. Enter your student's Transportation needs for the School Year.

There are step-by-step instructions for Registration of New Students here: www.crosbyisd.org/registration

There are step-by-step instructions for Verification of Returning Students here: www.crosbyisd.org/verification

Verification/Registration is done online and must be completed for every student in the District prior to the start of the new school year. We recommend you complete this process on a computer rather than a phone, since the larger screen makes it easier to see the forms.

The Verification/Registration process allows you to ensure the information we have on file is accurate. We are sharing this information now so that you can check the Registration process off your "To Do" list before summer. Our goal is to have every student verified/registered by **July 25, 2024** in order to be routed for transportation and to know your child's teacher by Meet the Teacher events.

Please share this email if you know any parents/guardians of students who are new to Crosby ISD and may not receive this newsletter. Thank you and we look forward to students starting the 2024-2025 School Year on Thursday, August 8, 2024.

Thank you.

El distrito ha abierto la verificación para los estudiantes que regresan y la inscripción para los estudiantes nuevos en Crosby ISD. Esperamos que los padres puedan registrar nuevos estudiantes para el año escolar 2024-2025 y marcar una cosa de su lista de tareas del verano.

Registro = Estudiantes nuevos en Crosby ISD
Verificación = Estudiantes que regresan

Todas las familias deben completar este proceso para cada niño antes de que pueda comenzar la escuela en agosto. Es fundamental que se tome el tiempo para registrar a los estudiantes. El proceso de inscripción de nuevos estudiantes ahora está disponible en línea a través de Skyward Family Access. El proceso suele tardar menos de 10 minutos por niño.

Todas las familias deben cargar un comprobante de residencia de cada estudiante, independientemente de si el estudiante regresa o es nuevo.
Formas Aceptables de Prueba de Residencia
Factura de Electricidad, Agua, Gas Natural (sin facturas de propano), o Factura de Cable (solo facturas vigentes, no se aceptarán avisos de desconexión), Contrato de Arrendamiento firmado dentro de los últimos 30 días. Correo de beneficios gubernamentales (discapacidad, SNAP, etc.), escritura de garantía firmada dentro de los últimos 30 días. Crosby ISD no aceptará facturas de seguro ni facturas de teléfono como prueba de residencia.

Por favor verifique que:

1. Los datos de su estudiante son correctos.

- Tenga en cuenta que todas las familias deben cargar un comprobante de residencia para cada estudiante. Se prefiere una factura de servicios públicos reciente a nombre de un padre/tutor.

2. Actualice cualquier dato importante que haya cambiado, incluidos, entre otros:
   - Números de teléfono de contacto
   - Contactos de emergencia
   - Historial de salud del estudiante.
3. Ingrese las necesidades de transporte de su estudiante para el año escolar.

Hay instrucciones paso a paso para la inscripción de nuevos estudiantes aquí: www.crosbyisd.org/registration

Hay instrucciones paso a paso para la verificación de estudiantes que regresan aquí: www.crosbyisd.org/verification

La verificación/registro se realiza en línea y debe completarse para cada estudiante del Distrito antes del inicio del nuevo año escolar. Le recomendamos completar este proceso en una computadora en lugar de un teléfono, ya que la pantalla más grande facilita la visualización de los formularios.

El proceso de Verificación/Registro le permite garantizar que la información que tenemos archivada sea precisa. Estamos compartiendo esta información ahora para que pueda marcar el proceso de registro en su lista de "cosas por hacer" antes del verano. Nuestro objetivo es que todos los estudiantes estén verificados/registrados antes del 25 de julio de 2024 para poder ser encaminados para el transporte y conocer al maestro de su hijo en los eventos Meet the Teacher.

Comparta este correo electrónico si conoce a algún padre/tutor de estudiantes nuevos en Crosby ISD y es posible que no reciba este boletín. Gracias y esperamos que los estudiantes comiencen el año escolar 2024-2025 el jueves 8 de agosto de 2024.

Gracias.

Crosby ISD Secondary Advanced Academics (Honors and AP)
English Language Arts Required Summer Reading 2024
DOWNLOAD READING LIST HERE

Spending time with books over the summer is important for all students. Summer reading can provide students with an opportunity to practice skills that might otherwise be lost over the summer, foster inquiry and scholarship (which leads to life-long learning) as well as help develop a love for reading and talking about text. ALL students are encouraged to spend a minimum of 20 minutes a day reading throughout the summer.

Students entering an Honors or AP English course, Grades 7-12, are required to read a common title over the course of the summer. Grade level appropriate titles are carefully selected by teachers to serve as foundational texts to begin the school year. Titles are chosen for their literary merit as well as their structure and themes in relationship to skills of analysis and synthesis and AP exam expectations. Each title is commonly read in secondary language arts courses across the nation. Many selections are multi-award winners and connected to grade level units in myPerspectives, the State Board of Education approved and CISD adopted textbook for secondary English language arts.

Students entering Grade 6 Honors English Language Arts in the fall are encouraged to experience a wide variety of texts over the summer and to keep a list of the books that they read to share with their teacher and classmates when the new school year begins. Families are encouraged to spend time reading with their students over the summer.

Students entering Grades 7-8 Honors English Language Arts, Honors English I (Grade 9), Honors English II (Grade 10), AP Language and Composition (Grade 11), or AP Literature and Composition

(Grade 12) are required to read the text selection designated for their course.

Dialectical journals will be collected beginning on the first day of school. Throughout the first nine weeks of school, students will be held accountable for their summer reading through graded and ungraded classroom tasks and homework. We encourage our students to spend the summer READING and be prepared to begin working on their text selection, alongside their teacher and classmates, when the new school year begins.

Académicos Avanzados de Secundaria de Crosby ISD (Honores y AP)
Lectura de verano obligatoria de artes del lenguaje inglés 2024
DESCARGA LA LISTA DE LECTURA AQUÍ

Pasar tiempo con los libros durante el verano es importante para todos los estudiantes. La lectura de verano puede brindar a los estudiantes la oportunidad de practicar habilidades que de otro modo se perderían durante el verano, fomentar la indagación y la erudición (lo que conduce al aprendizaje permanente), así como ayudar a desarrollar el amor por la lectura y la conversación sobre textos. Se anima a TODOS los estudiantes a pasar un mínimo de 20 minutos al día leyendo durante el verano.

Los estudiantes que ingresan a un curso de inglés de Honores o AP, grados 7 a 12, deben leer un título común durante el transcurso del verano. Los maestros seleccionan cuidadosamente los títulos apropiados para el nivel de grado para que sirvan como textos fundamentales para comenzar el año escolar. Los títulos se eligen por su mérito literario, así como por su estructura y temas en relación con las habilidades de análisis y síntesis y las expectativas del examen AP. Cada título se lee comúnmente en cursos de artes del lenguaje de secundaria en todo el país. Muchas selecciones son ganadoras de múltiples premios y están conectadas a unidades de nivel de grado en myPerspectives, libros de texto aprobados por la Junta de Educación del Estado y adoptados por CISD para artes del lenguaje inglés en secundaria.

Se anima a los estudiantes que ingresan al sexto grado con honores en artes del lenguaje inglés en el otoño a experimentar una amplia variedad de textos durante el verano y a mantener una lista de los libros que leen para compartir con sus maestros y compañeros de clase cuando comience el nuevo año escolar. Se anima a las familias a pasar tiempo leyendo con sus estudiantes durante el verano.

Los estudiantes que ingresan a los grados 7-8 con honores en artes del lenguaje inglés, inglés con honores I (grado 9), inglés con honores II (grado 10), lenguaje y composición AP (grado 11) o literatura y composición AP (grado 12) deben leer el selección de texto designado para su curso.

Los diarios dialécticos se recopilarán a partir del primer día de clases. Durante las primeras nueve semanas de clases, los estudiantes serán responsables de su lectura de verano a través de tareas y tareas en el aula calificadas y no calificadas. Alentamos a nuestros estudiantes a pasar el verano LEYENDO y a estar preparados para comenzar a trabajar en su selección de textos, junto con sus maestros y compañeros de clase, cuando comience el nuevo año escolar.

Entering Grade 12 AP ELA (AP Literature and Composition) Summer Contact(s): Ms. Maegan Hensley mhensley@crosbyisd.org	***The Nightingale*** by Kristin Hannah This is the *New York Times* bestseller and *Wall Street Journal* Best Book of the Year about love and strength in the face of war. AP Literature students will refine their analysis skills as they do a "deep dive" into the art of comparing and contrasting.

Part 2: Dialectical Journal Directions

Dialectic means "the art or practice of arriving at the truth by using conversation involving question and answer." A dialectical journal is used to arrive at the "truth" of a written work by responding in writing to quotations from that work. While you read your chosen novel, respond to the work by using this journal format. The different response types will guide you through the reading & thinking process to help develop your ideas and express them on paper.

Requirements:

- ☐ Create 10-15 entries, distributed equally throughout the book of your choice.
- ☐ Clearly title the chosen response type for each entry (listed below).
- ☐ Respond to each response type (listed below) at least once.
- ☐ Write a 5-8 sentence analysis that specifically connects to one of the response types.
- ☐ When finished, you may either save your work as a Google Doc (to upload to Schoology at school) OR provide a handwritten copy of your work.

Response Types:

- ➔ **Connection:** Make a connection to your life, the world, another part of the text or another text. Why is this connection significant? *This passage connects with….because… This connection is significant because…*
- ➔ **Reflection:** Think deeply about what the passage means in a broad sense--not just to the character in the story. What conclusions can you draw about the world, human nature, or the way things work? *This passage/moment seems to suggest… When I reflect...*
- ➔ **Author's Craft:** Analyze the text for use of literary devices (imagery, symbolism, figurative language, tone, etc). How does the device impact meaning? *The author uses _____ to… The tone/mood of the passage is...this creates/develops…*
- ➔ **Character Analysis:** What does the character do or say that seems important? Reach a conclusion about the character based on evidence and inference. Is the character changing or growing? *The changes in (character's name) occur because… The motives of (character's name) are...and are important because… When it comes to the relationship of these characters...*
- ➔ **Theme Analysis:** What is the universal message (complete statement, NOT one word) is the author trying to reveal through the characters, conflicts and events in the text? *The author's message/theme seems to be…. The author wants the reader to learn…*
- ➔ **Point of View Analysis:** What point of view is the story written in (1st, 2nd, or 3rd)? Who is the narrator in this story? What is the narrator's importance, and how does the narrator impact the text? How might the text change if the narrator was different? *The story is written in _____ person point of view... The narrator is … The narrator is important because _____ and impacts the text by … The text would change if the narrator was different because...*

Dialectical Journal Example and Grading Rubric:

Chapter & Page	Quote:	Analysis:
Ch #; Pg #	Pick a quote that has meaning or significance to you. A good quote will make you stop and think.	Explain why this quote is significant by using the Response Type descriptions and/or sentence starters. **Title each entry with the corresponding response type.**
Example	"The news spread through Sighet like wildfire" (Wiesel 9).	AUTHOR'S CRAFT: The literary device used in this quote is a simile and it illustrates how news is able to spread through a town quickly. The news about deportation caused people to talk about it and, like a wildfire, it consumed their thoughts and conversations. I also think it's significant to note how destructive wildfire can be, just like the German presence in Sighet eventually became. It's so sad that nobody took action after this warning, even though it obviously scared them. The overall impact of this simile not only emphasizes the pace and destruction the news and presence of German soldiers had on the people of Sighet, but it also begins the motif of fire which we shall see come up again and again in the book. So in the end, this seemingly simple turn-of-phrase and simile is actually also symbolism, foreshadowing and a recurring motif of Wiesel's memoir.

Grading Rubric:

4 (100%)	3 (85%)	2 (60%)	1 (50%)	0
Effective and substantial	Adequate and clear	Inconsistent and/or weak	Minimal	No work was turned in
