Dear parents and carers,

I am writing to inform you that the National Education Union (NEU) has agreed to suspend its industrial action for September and October. As a result, there will be no strike days at any academy during this period.

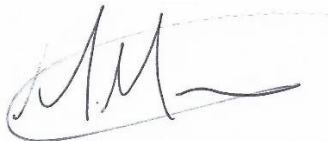

Although our academy was not directly affected by the planned industrial action, I am pleased to report that it's suspension is a positive step forward for the Trusts

The Trust appreciates the support from NEU representatives, members, and other stakeholders in facilitating this suspension, which allows for further negotiations to resolve the dispute.

In the coming weeks and months, the Trust will focus on reviewing our financial plans, redeveloping our funding model, improving our financial systems, and assessing the future structure of the Trust. These efforts represent a significant shift in our approach to ensure greater transparency and reassurance for all stakeholders.

If you have any questions about these developments, please don't hesitate to contact me.

With very best wishes,

Jonathan Morris  
Principal
