Dr. Cardamone - Board Statement

- A reminder to the public that the public comment period is not a question and answer period, but rather the opportunity for the public to submit comments to the Board. Public comments will follow our public comment procedures which require members of the public to identify themselves by indicating name and address. If members of the public wish to make public comments, then they must do so in person. The meeting will be available online.
- The School Board will strive to answer questions pertaining to the current agenda at the beginning of the school board meeting, in a conscious effort to maintain transparent practices. After the School Board agenda is posted online, questions may be emailed to plombel@pottsville.k12.pa.us by 2:00 PM the day of the meeting. Questions pertaining to the agenda posted online will be answered in the order received for a period not to exceed 30 minutes. If the questions are not able to be answered during the 30-minute period, the School Board will endeavor to answer the questions at the beginning of the next school board meeting. Questions pertaining to confidential personnel matters will not be addressed. Questions that require some research or further inquiry might not be answered at the current school board meeting. The question and answer period does not replace the public's current right to public comment.
