If members of the public wish to make public comments, then they must do so in person. The meeting will be available online.

INFORMATIONAL ITEM

Update on the Gillingham Charter School renewal process: After the Pottsville Area School District granted a 30-day extension requested by Gillingham Charter School in the 2021-2022 school year, the District reviewed and provided feedback on the charter application and follow-up documents. While a substantial number of additional submissions were provided by Gillingham Charter School to clarify and support the charter school renewal request, the District has concerns. The topics of concern based on the data submitted by Gillingham Charter School are: Teacher Certification, Teacher Turnover Rate, Student Achievement, Curriculum, Special Education, Finance, and Discipline/Safety. Of particular concern to the District is the number of students withdrawing from Gillingham Charter School. The Student Retention Rate, calculated as the percent of students enrolled for a full year who return for the following school year (excluding graduates), was an average of 48% during the four (4) school years in the review. The District is currently attempting to negotiate the charter renewal without going through the court system and/or the Pennsylvania Department of Education (PDE) to reduce the burden on taxpayers. More specifics will be provided in a future meeting.
