Dr. Cardamone - Board Statement

A reminder to the public that the public comment period is not a question-and-answer period, but rather the opportunity for the public to submit comments to the Board. If members of the public wish to make public comments, then they must do so in person. Public comments will follow School Board Policy 903 and public comment procedures. Members of the public who are residents and/or taxpayers of the school district who wish to comment shall identify themselves by indicating name, address, and topic upon which they want to address. If the subject matter is on the agenda, such persons shall be given priority over residents and/or taxpayers who want to comment on non-agenda items. Please limit your comments to three (3) minutes. The public comment segment of each Board meeting shall be a maximum of one (1) hour per public meeting. Anyone who does not get the opportunity to speak because of the expiration of this one (1) hour time period shall be afforded a priority speaking position at the next public Board meeting. After the School Board agenda is posted online, questions may be emailed to plombel@pottsville.k12.pa.us by 2:00 PM the day of the meeting. Questions will be forwarded to all Board members. The meeting will be available online.

Are there any public comments at this time?

- Solar Payments under solar contract - \$188,714 (Expense)
- *Solar Renewable Energy Credit (SREC) income* - \$66,896 (Revenue)
