Ms. Wytovich- Board Statement

A reminder to the public that the public comment period is not a question-and-answer period, but rather the opportunity for the public to submit comments to the Board. If members of the public wish to make public comments, then they must do so in person. Public comments will follow School Board Policy 903 and public comment procedures. Members of the public who are residents and/or taxpayers of the school district who wish to comment shall identify themselves by indicating name, address, and topic upon which they want to address. If the subject matter is on the agenda, such persons shall be given priority over residents and/or taxpayers who want to comment on non-agenda items. Please limit your comments to three (3) minutes. The public comment segment of each Board meeting shall be a maximum of one (1) hour per public meeting. Anyone who does not get the opportunity to speak because of the expiration of this one (1) hour time period shall be afforded a priority speaking position at the next public Board meeting. After the School Board agenda is posted online, questions may be emailed to kbevan@pottsville.k12.pa.us by 2:00 PM the day of the meeting. Questions will be forwarded to all Board members. The meeting will be available online.

Are there any public comments at this time?

Informational items:

(1) The Pottsville Area School District is excited to have received \$996,189 through the Bipartisan Safer Communities Act (BSCA) grant. We appreciate Board members, administrators, faculty, staff, students, parents/guardians, and the community for their participation in the Comprehensive Planning team, including meetings on November 29, 2023 and February 28, 2024. The District is grateful for the input from one-hundred fifty-six (156) stakeholders who completed our survey to inform our grant application to benefit students and staff. Without your input, we would not have been able to achieve this result. As indicated from the results of the survey and meetings, the grant will support the District's funds to provide additional Behavior Intervention, Counseling, Special Education programming, Career activities, Wellness for staff, and Dual Enrollment opportunities over the next two school years.

(2) The PDE provided the annual Maintenance of Effort letter, which reviews our Annual Financial Reports (AFR). Federal funds are supplementary and cannot supplant local and state funds. Since our aggregate 2021 vs 2022 expenditures from state and local sources were within the allowable reduction rate of 10%, the Pottsville Area School District has maintained fiscal effort. We will file the letter for auditing and monitoring purposes.
