is *really* doing...with a

# SYLVAN INSIGHT™ ASSESSMENT

Do you sometimes wonder what's really going on in school? A Sylvan Insight™ Assessment is an in-depth evaluation you won't find anywhere else. You'll get a clear picture of where your child stands academically as well as a prescriptive action plan to get them where they need to be.

#### Here's what you get with Sylvan Insight™:

- A computer-adaptive skills assessment that will pinpoint your child's exact strengths and skill development needs.
- Deep insight into your child's habits and attitudes toward school.
- A view into how your child's skills compare to national norms for other kids in their grade level.
- A follow up strategy session with our team to review the results and get your personalized action plan for success!
