2200 – CURRICULUM CONTENT

The Board of Education will provide the instruction and services mandated by law and rules as necessary for the implementation of a thorough and efficient system of free public education and such other instruction and services as the Board deems appropriate for the thorough and efficient education of the students of this district. The Board shall annually approve a list of all programs and courses that comprise the district's curriculum and shall approve any subsequent changes in the curriculum in accordance with Policy 2220 – Adoption of Courses.

For the purposes of this Policy "curriculum" means planned learning opportunities designed to assist students toward the achievement of the intended outcomes of instruction.

The curriculum will be reviewed by the Superintendent and shall, as a minimum, include the curricular mandates of N.J.S.A. 18A – Education, N.J.A.C. 6A – Education, and the New Jersey Student Learning Standards and the courses required by Policy 5460 – High School Graduation and N.J.A.C. 6A:8-5 for high school graduation.

The curriculum is designed to be a “living document” added to and enhanced at any time based on feedback, student data, and best practices.

The Superintendent is responsible for implementing the curriculum approved by the Board.

The curriculum shall be consistent with the educational goals and objectives of this district and, the New Jersey Student Learning Standards and be responsive to identified student needs. The Superintendent shall, in consultation with staff members, assure the effective articulation of curriculum across all grade levels and among the schools of this district.
