5337 – SERVICE ANIMALS

In compliance with Title II of the Americans with Disabilities Act (ADA) as amended by the ADA Amendments Act of 2008, it is the Policy of the Board of Education to permit use of a service animal by an individual with a disability in all areas of the district where the public is normally permitted: in district buildings; on district property; and on vehicles owned, leased, or controlled by the district in accordance with 28 CFR §35.136.

A. Definitions

1. “Act” means the Americans with Disabilities Act (ADA) as amended by the ADA Amendments Act of 2008.
2. “Designated administrator” means Principal or person designated by the Principal to coordinate these activities.
3. “District” means this school district.
4. “Handler” means the animal’s owner who is an individual with a disability or a person, such as a trainer, assisting the owner with control of the service animal.
5. “Service animal” means a dog individually trained to do work or perform a specific job or task for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability in accordance with 28 CFR §36.104.
 - a. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purposes of this definition.
 - b. The work or tasks performed by a service animal must be directly related to the individual’s disability (e.g. navigation, alerting physical support and assistance, preventing or interrupting impulsive or destructive behaviors).
 - c. Work or tasks for the purposes of this definition do not include the provision of emotional support, well-being, comfort, therapy, companionship, or crime deterrence.

B. General Rules

1. The district shall permit the use of a service animal by an individual with a disability unless:

- a. The animal is out of control and the animal's handler does not take effective action to control it;
 - b. The animal is not housebroken.
2. A student with a disability, including autism, shall be permitted access for a service animal in school buildings, including the classroom, on school buses, and on school grounds.
3. The service animal shall be under a handler's control at all times by use of a leash, tether, voice control, signal, or other suitable means in accordance with N.J.S.A. 18A:46-13.3 and 28 CFR §35.136(d).
4. If an animal is properly excluded, the district shall give the individual with a disability the opportunity to participate in the service, program, or activity without having the service animal on the premises in accordance with 28 CFR §35.136(b).
5. If there are places in the district where it is determined to be unsafe for a handler and service animal, reasonable accommodations will be provided to assure the individual with a disability has equal access to the activity.
6. A school official may inquire as to whether the service animal is required due to a disability and what task or work the service animal has been trained to perform, unless the student's disability and the work or task that the service animal will perform are readily apparent in accordance with N.J.S.A. 18A:46-13.3.
7. The district may not require documentation, including proof that the animal has been certified, trained, or licensed as a service animal; nor that the animal demonstrates its ability to perform the work or task in accordance with 28 CFR §35.136(f).
8. Individuals with a disability who have service animals are not exempt from local animal control or public health requirements.
9. A school official may require:
 - a. Certification from a veterinarian that the service animal is properly vaccinated and does not have a contagious disease that may harm students or staff; and
 - b. Documentation that any license required by the municipality in which the student resides has been obtained for the service animal.

C. Delegation of Responsibility

1. The school shall not be responsible or liable for the care or supervision of the service animal.
 - a. The district is not responsible to pay for or provide a handler to aid the individual with a disability in the control of the service animal.
 - b. The school shall provide reasonable accommodations to allow the handler to provide for the care and feeding of the service animal while on school grounds or at a school function.
2. If the district normally charges individuals for damage they cause, an individual with a disability may be charged for damage caused by their service animal in accordance with 28 CFR §35.136(h).
3. The district will designate relief areas for the service animal which will be included in mobility training and orientation of students and animals new to the school.

D. Notification and Responsibilities

1. In the event a service animal will be introduced as part of the school community, the designated administrator will develop a comprehensive implementation plan prior to introduction of the service animal into the school to include:
 - a. Notification to parents of students who may be in contact with the service animal;
 - b. Appropriate accommodations:
 - (1) For students who are allergic to the service animal; and/or
 - (2) For students who have fears regarding the service animal.
 - c. Appropriate etiquette regarding service animals to include:
 - (1) Never pet a service animal while it is working;
 - (2) Never feed a working service animal;
