Present Land Use/Zoning/General Plan Designation:

High School/Open Space/Open Space

Project Description: (please use a separate page if necessary)

The Proposed Project proposes to develop an aquatic center to replace the existing indoor pool at Lakewood High School, and provide a regulation size pool for water polo games or swim meets, as well as for physical education, parks and recreation, summer programs, and for the Special Olympics. Construction of the Proposed Project's main facilities will include an outdoor swimming pool, bleachers, shade structure, locker rooms/offices, restrooms, indoor and outdoor showers, stadium lights, LED scoreboard, revision of parking stalls, wall enclosures, surveillance cameras, and an equipment storage enclosure/rooms, and other ancillary upgrades to accommodate the facility. The Proposed Project will be in use routinely with exception of a few days in the year, as well as accommodating outside group activities that do not conflict with the needs of the school water polo and swim teams.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
