All responses to suggestions or questions will be answered by a member of the administrative team within 5 business days of submission. Parents may communicate with teachers or members of the staff by phone, email, or in person upon request. Potential parents/guardians interested in volunteering should obtain an application from www.richlandone.org. New volunteers must have their ID scanned into RAPTOR. Approved volunteers will be notified by email. Additionally, parents will be informed of school events through the website, school messenger, marquee and social media.

Bradley Elementary Title I plan will be made available on the school website, in the school office, and in the parenting center. Parents may submit comments on the Title I plan in writing to the principal's office and/or provide them on the school's website. Title I Planning Parent Compact

Parents will receive a copy of Bradley's finalized Parent-School compact within the first 45 days of school. Information will be reviewed with parents during the Annual Title I Meeting. Additionally, parents not in attendance will receive a copy of the Parent-School Compact during the next PTA meeting. Copies will be made available to parents in the front office. The parents and families will consider suggestions and comments for revisions before submitting the final draft for distribution. Parents, teachers, school administrators, and community representatives developed the Parent-School Compact. The compact will be sent home to parents for comments. The compact will be reviewed annually by the Title I Planning Team and School Improvement Council.

Limited English Proficient & Parents with Disabilities

Bradley Elementary School will provide opportunities for the participation of parents with Limited English Proficiency or with disabilities by accommodating any additional needs. If accommodation is needed, please notify a staff member. An interpreter is available for meetings as needed.

Building Parent & Family Engagement Capacity

Parent and Family Engagement programs and activities will be coordinated by the leadership team, Parent and Family Engagement Specialist, and school members. Parents will be provided assistance in understanding performance standards, assessments, and Title I, student progress (SC Ready, CogAT, MyIGDIS, KRA, STAR Reading and Math, and Fountas & Pinnell.) Parents are encouraged to attend all Parent and Family Engagement activities. To assist parents in working with their children to improve academic achievement, Title I funds may be used for materials and training for parents. Parents will receive various notifications of school activities and parental engagement opportunities promptly. Teachers and staff will participate in professional development focused on how to collaborate with parents.

Title I Planning

Parents, teachers, school administrators and community representatives planned and developed this policy during our Title I planning meetings. The policy was made available on the school website for comments. The policy was revised based on the feedback and the finalized policy was published. Schoolwide distribution ensures each parent receives the "final" version of the Parent and Family Engagement Policy. The policy will be updated as needed and reviewed annually for improvements by the Title I Planning team.
