

Bradley Elementary School Parent-School Compact 2024-2025

Bradley's Expectations for the School

We at Bradley Elementary established this Parent-School Compact so that:

- Every student will have the opportunity to be provided with grade-level instruction to support their reading levels.
- Every child will acquire a unique foundation to develop good study habits and classroom skills.
- Every child will develop a sense of responsibility and respect for themselves and others.

We, the teachers, faculty, and staff of Bradley, will support students, parents, and families by:

- Inviting parents to serve on different school committees.
- Providing quality teaching and leadership to students.
- Providing high-quality core curriculum and instruction in a supportive learning environment.
- Communicating frequently with families about their child's progress.
- Participating in professional development opportunities
- Holding at least two parent-teacher-student conferences each year (virtually and/or face-to-face).
- Encouraging students to behave responsibly and treat others with respect.

As **Principal, I, Kezia Myers**, represent all Bradley Elementary School Faculty and Staff in affirming this compact. I will continuously observe and monitor classroom activities to ensure a high-quality education for every child.

Bradley's Expectations for Parents/Guardians

As a **parent/guardian**, I believe my child can learn. My responsibility is to support their learning by monitoring attendance, homework completion, and technology usage. I will support their learning by:

- Making sure my child attends school regularly, on time, and is prepared to learn daily.
- Knowing what skills/standards my child is learning in all content areas
- Reading with and encouraging my child to read daily.
- Attend all parent-teacher-student conferences and parent and family engagement activities and communicate frequently with my child's teacher.
- Providing high expectations for my child's behavior.
- Ensuring the school has updated contact information (phone numbers, address, etc.)

As **members of the Bradley Educational Community**, we are partners in every child's educational experience as we enter into and uphold the intent of this compact.

As a **student**, I believe that I can learn. The teachers and staff are here to help me every day. I will support my learning by:

- Coming to school prepared and ready to learn.
- Being attentive in school.
- Read independently or ask a family member to read with me daily.
- Completing my homework on time.
- Asking for help from family members with my homework and projects.
- Behaving responsibly and treating others with respect.
