The Board of Education and the staff of Southfield Public Schools appreciate the support received from booster groups. Although booster organizations are self-governing entities and do not fall under the District's direct supervision, their activities reflect upon the reputation of the School District. See Board Policies 9210 and 9211 and refer to [http://www.southfield.k12.mi.us/downloads/\\_acct\\_/00/00/00/09/finance\\_manual\\_for\\_booster\\_groups\\_20121022\\_120216\\_32.pdf](http://www.southfield.k12.mi.us/downloads/_acct_/00/00/00/09/finance_manual_for_booster_groups_20121022_120216_32.pdf) for more District procedures and reporting requirements for External Booster Clubs.
