**Iroquois Central School District
2024 - 2025
Board of Education Goals**

Goal 1

Support the Superintendent in his accountability of implementing and achieving the District goals and his Superintendent goals.

- **Objective:** Form a committee of board members and administrators to review the format of the District Planning Conference and report to the board the recommendations by March 15th.
- **Objective:** Support the Superintendent in aligning the Strategic Plan with the District's core purpose.
- **Objective:** Provide quality feedback to the Superintendent in a timely manner. Conduct an executive session mid-year by November 2024 and an end of the year executive session by June 2025 to evaluate progress.

Goal 2

Actively engage our students, families, community members and school staff in striving for the continuous improvement of the District.

- **Objective:** Conduct and review at least one round table discussion per year with the community, students, and faculty/staff.
- **Objective:** Continue the ambassador program within each building to ensure effective involvement in District events.
- **Objective:** Continue to communicate with the Iroquois Community regarding budget & capital projects and strive to increase community participation. Improve community participation by providing a link on social media for all Board meetings and work sessions.

Goal 3

Strive to be a highly functioning, cooperative School Board.

- Objective: Participate in a School Board governance training and fiscal oversight training in order to maintain and improve proper oversight of District operations.
- Objective: To review Board policies, procedures and Code of Ethics for Board members.
- Objective: The Board shall adhere to set times on all work session agendas unless circumstances require a deviation.
