Public Comment Form

We welcome and value public comment on educational issues and recognize the importance of the opportunity for members of the public to express their thoughts to the School Board. Please fill out this form to let us know if you want to speak about an agenda item during the Business section or about an item not on the agenda during Public Comments. Please hand this completed form to Executive Assistant Holly Kahler to ensure your request reaches the School Board.

Sharing an individual comment: Individuals are asked to limit comments to three (3) minutes.

Speaking on behalf of a group: A designated speaker for a group is asked to keep comments to five (5) minutes.

Please Note: The Board does not respond to public comments during the business meeting. The Board's silence does not signal agreement or endorsement of the speaker's remarks. The president may interrupt or terminate an individual's statement when it is personally directed, abusive, obscene, irrelevant, targets a protected class, or exceeds the time limit. The board president will determine the appropriateness of all such rulings. All comments are recorded as is the full School Board meeting. The recording is available on the website www.monroe.wednet.edu following each meeting.

Public comment forms received after the meeting has started will be saved for the following meeting.
