SAFETY PROTOCOL REMINDERS

The importance of school safety is a long-standing priority for the Pocatello/Chubbuck School District. Our annual safety reminders, please keep them in mind as we move through the 2024-2025 school year.

www.sd25.us/safe-schools

IF YOU SEE SOMETHING, SAY SOMETHING

At Pocatello/Chubbuck School District 25, the safety of our students and staff is a shared responsibility that extends beyond the walls of our schools. We work hand in hand with local law enforcement to ensure a rapid response in emergency situations and a visible presence that fosters a secure environment.

Our partnership with families and the broader community is just as vital. Together we promote open communication, proactive safety measures, and a culture of vigilance. By working collaboratively, we are creating a safer, more supportive environment for all our students to learn, grow, and thrive.

We all play a role in keeping our communities safe. Together with our law enforcement partners, including the Pocatello Police Department, we encourage parents to reinforce the concept of "if you see something, say something" and continue to work together to keep our school communities safe.

VOTE NOVEMBER 5

FACTS & INFORMATION

WHAT IS THE SUPPLEMENTAL LEVY RENEWAL?

The Supplemental Levy is a renewable, voter-approved levy that helps Idaho school districts cover local operating costs. For the 2023-2024 school year, the supplemental levy funded about 7% of PCSD 25's operating costs, supporting high-quality education and services for nearly 12,000 students in the Pocatello/Chubbuck School District 25.

PROPOSED LEVY

- ✓ If passed, the Supplemental Levy will renew \$8.25 million in funding per year for two years.
- ✓ **The levy amount requested by PCSD 25 remains unchanged from the last renewal, maintaining the current level of funding for educational services.**
- ✓ If passed, PCSD 25 will receive a fixed amount of funding as approved, regardless of any increases or decreases in property values across Bannock County.

Supplemental Levy funds will be allocated each year as follows to maintain PCSD 25's educational services:

Salaries and benefits to recruit and retain qualified teachers, paraprofessionals, administrators, and support staff to maintain class sizes.
\$4,725,000

Textbooks & supplies for access to up-to-date instructional materials that support learning and align with curriculum standards.
\$925,000

Instructional technology software & staffing to support curriculum, including training and support for teachers and learners.
\$750,000

Extracurricular transportation/travel expenses for participation in events and competitions beyond the local area.
\$600,000

Custodial Services to maintain safe and clean schools.
\$575,000

Extracurricular salaries for qualified staff to provide learning opportunities outside of the classroom.
\$475,000

School Resource Officers to maintain safe and secure public schools.
\$200,000

LOCAL SUPPORT FOR LOCAL LEARNERS

PCSD 25 uses a supplemental levy to bridge the gap between state/federal funding and local needs. Despite increased state funding, **nearly 80% of Idaho's school districts rely on supplemental levies to operate.**

VOTE ON TUESDAY, NOVEMBER 5, 2024

VOTE IN FAVOR OR AGAINST RENEWING THE SUPPLEMENTAL LEVY.

Polls open from 8:00 a.m. to 8:00 p.m.

Early walk-in voting begins Monday, October 11 through Friday, November 1.

LEVY FACTS

- ✓ This is not a new tax. This is a renewal of the existing levy that has been community-supported for more than sixty years.
- ✓ A supplemental levy asks citizens for additional property tax dollars to support the operation of local schools.
- ✓ The levy requires a simple majority to pass.
