Welcome and Thank You

for considering

After school program for your child's after school experience. Our program is designed to help our community and families by providing a kid-friendly environment that is safe, structured, and supervised by a caring and highly qualified staff. Research has shown that after. school programs are the key to youth success academically and socially. We are thrilled to have the opportunity to be the key that unlocks the door to your child's potential. It is our goal as a staff to equip each child within our program with tools to become successful in life. We strive to instill positive mental attitudes, discipline and accountability in all of our youth; while promoting academic excellence, character, leadership and having FUN!

BEHAVIOR

Discipline and student conduct for the after school program will be consistent with the standards for the school day as outlined in the Student Code of Conduct. After School instructors use 4 steps to address the student's behavior: Step 1. Positive Reinforcement to redirect negative behavior. Step 2. Documentation and Parent Face to Face, if such behavior continues. Step 3. Possible Suspension + Principal Notification Step 4. Dismissal. After School Coordinator has the right to remove the student from the program.

MEDICAL/ MED CONCERNS

If your child requires medication in after school please contact the coordinator directly.

SAFETY

Safety is our first adventure, and your child's safety is our #1 priority. Students will only be released to authorized persons on the student registration form. All authorized pick-ups must show identification if asked by program staff.

Our staff has been trained to remind parents of this important procedure. Please be mindful they are doing their job and it is for the safety of our children.
