Great Neck South Middle School Co-Curricular & Extracurricular Activities

South Middle School offers a variety of co-curricular and extracurricular activities. These complement curriculum and attempt to meet the needs of middle school students. The activities encourage students to participate in enjoyable undertakings. They reinforce and expand upon special interests and talents of students.

Some activities take place during the school day primarily, but not exclusively. Examples of such activities are: Student Organization (S.O.), the school newspaper, chorus, orchestra and band.

Other activities take place exclusively after school. These activities include club programs and interscholastic sports.

Club offerings can potentially grow through the school year. Clubs are frequently suggested by students themselves. Faculty members stimulate interest and provide supervision.

Extracurricular activities are announced on the morning news show during homeroom period. The day and time of meeting of some activities may be subject to change.

CLUB & ACTIVITY DESCRIPTIONS

ANIME CLUB

GC CODE: gb3voc7

Are you ready to dive into worlds of epic adventures, mythical creatures, and heartwarming friendships? Join us at the Anime Club where every week we explore the most exciting anime series, dive into fun discussions, and create awesome fan art together! Whether you are an avid fan or just curious about anime, everyone is welcome.

ART CLUB / MURAL CLUB

The Art Club is for students who have a special interest in the visual arts. Club members will have the opportunity to create work in a variety of mediums such as painting, printmaking, sculpture, mixed media and creative crafts. Regular attendance is recommended in order to complete

all art projects. So if you want more ART in your life, this club is for you!

CHESS CLUB

GC CODE: shyeta2

This club will focus on learning, sportsmanship, and competition in chess. Whether you are a beginner or aspire to be a Grand Master, this club will help you hone your skills and give you an arena for friendly matches. Attendance is limited to 20 players weekly - sign ups posted in Google Classroom each Wednesday.

CHINESE YO-YO

GC CODE: mjmeqs6

For students who want to learn how to use the Chinese Yo-Yo, which is also known as Chinese Diabolo. It is a game of balance, timing and creativity.

CODING CLUB

GC CODE: ddqrmxe

Are you curious about how games, websites, and apps are made? In the Coding Club, you'll get to explore the world of programming in a fun and exciting way! Whether you're a total beginner or have some experience, we'll learn together through cool projects and hands-on activities. This is the place to get creative with code. Bring your ideas, make new friends, and let's have fun learning how to code.

COMMUNITY ACTION

GC CODE: s43ww60

To help students become aware of their role as global citizens as well as those interested in participating in community outreach projects, including fundraising for established charitable causes like food pantries and other local organizations.

COMMUNITY CLOSET

GC CODE: 5wcfyws

The community Closet is a tremendous resource at South Middle. With help from the Great Neck community, we collect and house clothes and shoes for babies, children, teens, men, and women. We then hold big community events and invite Great neck families into our school to shop for what they need. This is a perfect way to make sure the members of our community have access to necessary clothing. Student volunteers will help sort and organize clothes to maintain the cleanliness of the Community Closet. Volunteers will also help with signage and organization for our community-wide events. We are so excited to be able to work on something so important with our SMS students.

DEBATE CLUB

GC CODE: 5pkj3bz

Boost your confidence and public speaking skills by joining the Debate Club. Explore current topics, engage in panel discussions, and polish up your research and communications skills.

FANTASY / SCI-FI CLUB

GC CODE: 2kddcat

Are you a Harry Potter, Star Wars, Marvel, or Anime fan? Do you enjoy escaping our world and venturing into worlds where anything is possible? Consider joining the Fantasy Sci-Fi Club. In this club, we will watch Fantasy/Sci-Fi movies, read books, create fan fiction, design characters and artwork, and do virtually anything you can imagine around this exciting genre. Bring your talents and love of Fantasy/Sci-Fi!

FRIDAY IN THE FRONT

Great Neck South Middle School has its own Chamber Music Society! This is a chance to feature band students, orchestra students, chorus students, pianists, guitarists, ethnic instrumentalists, dancers, and others to perform all kinds of styles of music and dance. The Rebel pops annually submits performances of classical chamber music groups to Lincoln Center for competition, but has informal solo or small group concerts every Friday morning in the front hallway (The “Friday in the Front” Series), and throughout the year at different venues.

FUTURE BUSINESS LEADERS CLUB GC CODE: y2crmwa

The Future Business Leaders Club is a club dedicated to finding and developing the next generation of creative and passionate leaders in the business field. Members will have the opportunity to work to invent their very own business with unique ideas and products, as well as learn about all the branches of business. Open to ambitious individuals with a passion for business, entrepreneurship, and leadership, the club offers a supportive environment where members can develop their skills through hands-on experience, mentorship, and guest speakers!

JKD (J-POP/K-POP DANCE CLUB) GC CODE: 7tbya6w

JKD (J-Pop/K-Pop Dance) is a dance club that teaches and performs dances to popular music, such as BLACKPINK, BTS, Itzy, and NAYEON just to name a few. The goal is to share and teach dances that members will enjoy and have fun performing. Students will have the opportunity to learn choreography and perform in a variety of settings including Cultural Heritage Night and Friday in the Front. Absolutely NO prior dance experience is required. Remember, the most important thing is to have fun!

LEGO CLUB

GC CODE: 6372la4

This club is for anyone who loves building with Legos! We will be working on projects and completing challenges as a group or you can build as an individual. We will be recreating famous landmarks, world flags, amusement parks, seasonal displays, and much more! Suggestions from club members are welcome as well. Legos will be provided.

LION DANCE CLUB

GC CODE: cntx5f2

The lion dance is one of the most important traditions at Chinese New Year. It is performed to bring prosperity and good luck for the upcoming year. The lion dance is also a way to create a festive atmosphere and bring happiness. In this club, students will choreograph and learn the dance together and perform it at the Cultural Heritage Gala.

MAG-LEV CLUB

GC CODE: 4fl2btp

Students learn the relevance of magnetism when it is used for transportation. Their goal is to design and build a car that will compete at the Cradle of Aviation, mid March of each school year, for the fastest

time down a magnetized track. Schools from across the Island compete to have the fastest cars. There are multiple categories that students can enter and compete in:

1. Self propelled with a motor, propeller and battery pack
2. Balloon powered vehicle
3. Electrified track where cars have a motor and a propeller but power comes from feelers touching the sides of the electrified track.
4. Gravity track where cars float down an inclined track under their own power.
5. Futuristic Design
6. Scale Model Design

MATH OLYMPIADS

Math Olympiads is a specially designed contest held once a month in sixth grade Math EP classrooms. The purpose of the Olympiads is to challenge Math EP students in a math based series of 5 questions dealing with real life situations, patterns, projections, mathematical application questions, etc. The children look forward to the contest and enjoy the challenging questions they are faced with each month.

MATH TEAM

GC CODE: wirfmwe

Primarily for 7th and 8th grade students who are interested in problem-solving and participating in math competitions (*MOEMS-Div. M, Mathcounts, Purple Comet*). Interested 6th graders who want a challenge beyond *MOEMS-Div E* are welcome to join.

"MIDDLEVIEW" SCHOOL NEWSPAPER GC : 6z6cmp7

For students interested in working for the school newspaper. Students learn to research, write, edit and produce articles. Students also contribute to the photography, layout, and distribution of the paper.

MOVIE ENTHUSIASTS CLUB

GC CODE: k2xy6ef

We all love to talk about our favorite movies! This club is designed to give students common experiences with both classic and contemporary movies. These common experiences will inform discussion about complex issues in the movies, as well as the movie magic used to create them.

MOVIE MAKING CLUB

GC CODE: fqmmzhd

Is there a film maker inside you? Do you have stories that need to be told? Come join the Movie Making Club and learn to write, direct, and act in your own creation! Learn camera operation, shot composition, story structure; and editing will be taught as you learn the craft of Film Making!

MULTICULTURAL CLUB

GC CODE: 6zmazjy

The purpose of this club is to teach the students about dance and music from other countries. They will be prepared to perform at the Cultural Heritage Celebration at South Middle School. This club is open to all students from 6th to 8th grade.

PODCASTING CLUB

GC CODE: ce6vzw6

The Podcasting club is back for the 2024-25 school year! Come join us and create your own original podcasts on a variety of interesting topics with guests, interviews , and so much more!

POST PRODUCTION CLUB

Want to learn about filmmaking and editing? Join the post production club, and you might become the next Steven Spielberg!

REBEL PEN, ART AND LITERARY MAGAZINE

Join our lively community of artists and writers. Share your poetry, short stories, scripts, drawings, paintings, photographs, and much more! See your work in print in a magazine published at the end of the year. You'll also be encouraged to submit your work in art and writing contests throughout the year.

RIBBON DANCE

GC CODE: cntx5f2

Chinese ribbon dancing is a traditional art form that originates in ancient China. Using sharp, rhythmic movements and long colorful ribbons, dancers perform to traditional Chinese music. The ribbons and choreography are precisely synchronized so that the ribbons form patters and designs in the air that are captivating to all who watch a performance. In this club, students will choreograph and learn the dance together and perform it at the Cultural Heritage Gala.

ROBOTICS CLUB

GC CODE: e7zvg7b

The Robotics Club will focus on exploration of the robotics industry, mainly utilizing Lego programmable robotics kits as a foundation. The club will compete at the FIRST robotics competition at the middle school level. Students will construct different robots to perform different tasks as efficiently as possible.

SADD CLUB (STUDENTS AGAINST DESTRUCTIVE DECISIONS)

GC CODE: adprdar

For students interested in increasing their involvement in activities and in broadening their understanding of the harmful effects of poor decision making and substance abuse.

SCHOOL MUSICAL / STAGE CREW (see page 12)

Stage Crew GC CODE: xnrdvgh

SCHOOL SERVICE

This service-based activity is for students who wish to be aides in the classroom or in other parts of the building. Students can volunteer to be trained as guides for Sixth Grade Orientation, Open House and other school-wide events. School service also runs a peer tutoring program that facilitates free academic assistance for middle school students with coordination with South High's Academic Outreach Program. Finally, students involved in School Service will also assist in planning fundraising events, specifically Spaghetti Dinner, the proceeds of which directly benefit South Middle School's scholarship fund.

SCIENCE BOWL

GC CODE: venf353

Students prepare for a regional competition. Each team is comprised of five students. These teams face-off in a fast-paced question-and-answer format, being tested on a range of science disciplines including biology, chemistry, Earth science, physics, energy, and math.

SCIENCE OLYMPIAD

GC CODE: uep4sxb

Science Olympiad is a club that tests students abilities in 23 STEM events related to Engineering, Coding, Technology, Cartography, Earth Science, Biology, Forensics, Physics, Ornithology, Astronomy and the Environmental Sciences.

Engineering processes may require students to build a Ping-Pong Parachute that launches a rocket into the air and returns an egg to the ground safely, utilizing a student fabricated parachute system.

Academic challenges are given in some areas of competition, in addition to lab events. In Crime Busters, teams analyze forensic data to solve a given crime.

Every season we look to return stronger, smarter and better prepared than the previous years. Our initial goal is to win the

Nassau County Title and place in the top 5 at the State Level. We are a

team that works together with one goal in mind--Success. This experience gives students the insight to see what the future may hold for them. Some may become Engineers and others Scientists. Try outs will be announced in the early fall.

SEW CRAFTY CLUB

GC CODE: 7ktn7ag

Do you love FACS class and wish you could stay all day? Do you love a creative project and turning the ordinary into the extraordinary? Then the Sew Crafty Club is for you! Create unique sewing projects using new, repurposed, and recycled materials. Bring in your unused materials, and give household items and clothing creative new lives! Projects will include items such as t-shirt tote bags, coin purses, phone cases, bottle cap accessories, service projects, and jewelry.

STUDENT GOVERNMENT

For students interested in school service, school government activities, and fundraising. Some of the activities will take place during the school day and others after school. Information concerning meetings and activities are announced through the daily bulletins and the PA system.

WALKING CLUB

Did you know that experts recommend that children get at least 60 minutes of physical activity a day? At South Middle, Mrs. Scauzillo and Mrs. Hill would like to help you accomplish this! We are excited to continue our walking club to help students increase their physical activity, as well as, their overall well- being. Being active has shown to: Increase focus, Improve academic performance, Boost energy, Relieve stress and improve mood, and Strengthen bones! We look forward to seeing our original members and making new friends!! Come join us to walk, talk and explore the world around us!

SCHOOL MUSICAL

This year's dates for the school musical are **March 20, 21, and 22, 2025.**

All students are invited to participate in the school musical. Information will be presented in September and additional grade-level meetings will be held in October.

Tryouts are held in November. Rehearsals begin in January.

Students are invited to participate in any of the following activities:

Activity	Sponsor	Day	Time	Place
Acting	M. Norberto	(A)	3pm-6pm	Auditorium
Stage Crew, Construction, Design & Lighting Sound	G. Marciana A. DeSiano H. D'Onofrio	(W)	3pm-6pm	Auditorium

(A) Play rehearsal schedules will be distributed to students/parents outlining the specific dates/times of rehearsals.

(W) Wednesdays

INTRAMURAL PROGRAM

Our school has a diversified program available to both boys and girls. We start our intramural program at the opening of school in September and continue it throughout the entire school year.

MORNING

Our morning sessions begin at **7:30 a.m.** and end at approximately **8:15 a.m.** We encourage students who arrive early to make use of our facility.

AFTERNOON

The afternoon program begins mid-September and continues through mid-June (Monday through Thursday). This program starts promptly at **3:00 p.m.** and ends in time for students to take school-provided bus transportation at **4:00 p.m.** After School Intramural opportunities include **flag football, soccer, basketball, fitness and weight training, badminton, ultimate Frisbee, table tennis and an assortment of other fun-filled opportunities** designed for both boys and girls of all three grade levels within our building. Activities are based on the interest of students and we always welcome suggestions!

We encourage all students to participate in our intramural program. Activities are offered in both of our gymnasiums during various times within the school year, so everyone has an opportunity to attend different sessions. Individual assistance is always available, as is open participation and group skills instruction. We invite every student at South Middle to join us in our expanded intramural program this year. Learn about different sports and games and have the fun experience of being an active participant in athletics.

Listen for intramural schedules during afternoon announcements. Further information can be obtained from the Physical Education Department at 441-4668.

INTERSCHOLASTIC ATHLETICS

Interscholastic sports are available to all grade 7 and 8 students who meet the team and physical requirements.

All students must have a physical examination by a doctor. Our school arranges for school district physicians to conduct physicals for interested students. These are generally held in early September and late June of each year. Students may also get a physical from their own doctor.

Student-athletes can take a late bus home on practice days. Teams practice every school day (unless otherwise announced). On game days, students must arrange for their own home transportation from school if the team arrives back later than the 6:30 p.m. bus.

A complete listing of all sports seasons and the coaches for each sport is posted on the bulletin boards in both gymnasiums as well as on the school [website](#).

Further information can be obtained from Ms. Dnyprowsky at 441-4668. Sports schedules and directions to all away contests can be found on the SMS website.
