Bridging the Future

Education, Workforce, and Career Pathways

Are you ready to learn something new? Join us for an insightful event featuring a special video message from Lt. Governor Jon Husted, followed by education and workforce leadership representatives who will explore the evolving landscape of our workforce in Central Ohio. Discover emerging trends and the essential skills that today's students need to thrive in tomorrow's job market.

Learn about how Olentangy Schools are creating real-world experiences that empower our students to connect with industry leaders, fostering **ACCESS, AWARENESS,** and **UNDERSTANDING** of future careers.

After the presentation, take advantage of the opportunity to connect with our industry partners as they showcase the various career opportunities available. Don't miss this chance to equip yourself and our students for a successful future!

Wednesday, October 16 from 7-8:30pm

Time

Presentation: 7-7:30pm (available via livestream)
 Olentangy BridgED Partner Showcase: 7:30-8:30pm

Location

Olentangy High School: 675 Lewis Center Road
