

## Youth Activity Center Information

### **Overview**

The purpose of the Youth Activity Center is to provide children with a safe place to participate in a variety of supervised activities. YAC is open to all Glen Hills students. Students who don't attend Glen Hills but live within its district boundaries may also attend. Activities include games in the commons and open gym. If life guards are available, the pool will be open for grade 4-5 events.

The cost of membership in YAC is \$25 per student for the year. Payment can be made online through the Infinite Campus portal or by cash at the first YACs. After payment is received your child will be issued a school ID/YAC card that gives them access to their grade-level event.

Returning from pre-Covid times is a \$5 admission fee, payable at the door for each event. This fee covers the cost for staff members working at the events. Snacks are available for purchase during the events.

Volunteers are essential for YAC events to run smoothly. Adult family members are needed to chaperone these events. Each family is asked to volunteer for 1 event. This helps us to keep the events safe and keeps costs from escalating further.

Students will be greeted in the main entrance by staff members to be checked off of the membership list. Students dropped off who have not been registered will call their families and have their families come into the building to give consent for them to join YAC and to pay the \$25 fee.

## **Pick Up Procedures**

For the safety of all students, please park your car and walk to the front entrance so that you can escort your child to your vehicle. Do not park in the Fire Lane. You may arrive 5-10 minutes early and enter the building.
