

SEPTEMBER NEWS

Ethel Kight Second Grade 9/16-9/20

What's happening in our class

- Kudos to our students and families who arrive on time every day! It really helps our students to be able to complete morning work, eat breakfast, and get to rotation at 7:50 on time every day!
- **We cannot accept transportation changes via calls or text messages. Please submit a handwritten note or email ekestranschange@troup.org . All transportation emails must be followed up with a phone call to the office for confirmation 706-812-7943.**
- Please report Covid cases to the school nurse and classroom teacher.
- Please make sure your child has working headphones to use at school each day!
- Our PBIS character word for September has been RESPECT. Talk with your child this week about what respect means to them and ways they can respect their friends, family, and others.
