

Ann Arbor Public Schools
Return to Learn and Continuity of Services Plan
2023-2024

The Ann Arbor Public Schools will continue to provide in-person instruction for the 2022-2023 school year. Students may elect to take courses through A2 Virtual+ Academy under 50A – Distance Learning. The Ann Arbor Public Schools will continue to provide health updates and will continue to monitor the spread of communicable disease in conjunction with the Washtenaw County Health Department. We are committed to providing a safe and engaging learning experience for each one of our students. This plan may evolve as new information is received and will be reviewed every six months for the duration of the grant.

The CDC will determine the COVID-19 community level for the county. Based on the community level, in consultation with the Washtenaw County Health Department, the Ann Arbor Public Schools will determine the mitigation strategies to ensure safe, effective learning for students and staff. The Ann Arbor Public Schools will comply with all local, state and federal mandates. This plan outlines measures for the CDC COVID-19 outbreaks in schools.
