

# Electronic Devices

We are seeing more and more cell phones and electronic devices at school, especially in our younger students. The Student-Parent Handbook clearly states **“Student cell phones and other electronic devices must be off and put away at all times during the school day, unless the classroom teacher has given permission for the student to use it.”** Please help remind your student(s) of this. As per the Student-Parent Handbook, use of those devices will result in the device being kept at the office to be picked up at the end of the day, while a second offense will result in the parent having to pick the device up from the office. Cell phones, smart watches, and other electronic devices are big distractions for our students and become interesting items for other students to potentially want to take. Also, those expensive devices tend to find ways to break easily while at recess, PE, etc. As always, if students and parents need to contact one another, this can be done through the office. Thank you in advance for helping us with this issue.

# LOST and FOUND

Our lost and found is already bursting at the seams with jackets, sweatshirts, lunch boxes, etc. Please ask your student to check lost and found for missing items. Parents are welcome to come take a look, after school, as well.

# HOMECOMING PARADE

As is tradition, all students will be walking with staff to the Homecoming Parade, **tomorrow, Friday, September 20th at 1:00PM**, to support our school district and community in celebrating Homecoming. Parents are always welcome to join us on Main Street. Immediately following the parade students will walk back to school before being dismissed for the day.

# WATER BOTTLES

We are encouraging students to bring water bottles to school. They can leave them in their classrooms for convenience. All of our buildings are equipped with bottle filling stations. Please write your student’s name on their water bottle, as that helps greatly should they end up in Lost and Found.

# Daily News Video

Tired of politics? Would you like to watch news with a positive spin? Check out the **Blue Hawk Daily News!** Our 8th grade Drama / Audio Visual Class, taught by Mrs. Karissa Snead is now producing the Blue Hawk Daily News.
