

BUS TRACKING APP

When will the buses show up? How can I see when my student will be picked up or dropped off? FirstView is the comprehensive and secure school bus tracking, communications and engagement tool for parents, school administrators and transportation management teams. Powered by First Student, [FirstView](#) gives our school district the transportation information they need most through the District Dashboard, then sends that information to parents and families via the ParentView App.

To use the App, you must have the school code and your students Identification number. The school codes are posted below; **you can find your students Identification number on PowerSchool.**

SCHOOL	CODE
Huntington Elementary School	KQEJ
Kelly Middle School	CWU7
Mahan Elementary School	NNV8
Moriarty Elementary School	CLTL
Stanton Elementary School	L2W7
Teachers Middle School	5RGJ
Uncas Elementary School	9U5Z
Veterans Elementary School	NTFH
Wequonnoc Elementary School	JGA9

Sincerely,

Maria Parrillo
