Community

College Station I.S.D. is one of two public school districts in Brazos County. The district has two high schools, two middle schools, two intermediate schools, ten elementary schools, and one alternative education campus. A&M Consolidated High School is a comprehensive public high school with approximately 2100 students in grades 9-12.

Curriculum

A&M Consolidated provides a diverse curriculum that allows students to design unique programs to meet their individual needs and goals. Choices include regular academic classes, Advanced courses in all academic areas, Advanced Placement courses, fine arts, athletics, Career and Technology, as well as a variety of extra-curricular activities, clubs, and student organizations. Special programs meet needs of students with physical disabilities, hearing/vision impairments, learning disabilities, and emotional disturbances.
