# DRIVEN

A CedarSpringsTV Production

Here at Cedar Springs High School, something very special is taking place behind the scenes of our beloved football team. In Mr. Harnden's Cedar Springs TV class, there are three seniors who are taking a deep dive into our Red Hawk football team. These seniors: Konor Shotko, Jordan Vu, and Levi Grifhorst are producing a documentary-style film, titled "Driven".

Jordan Vu (left), Konor Shotko (middle), Levi Grifhorst (right)

In this documentary, they will be following and documenting all of the hardships and deeper details that often go unnoticed in our football program.

Episodes are posted weekly and showcase the incredible production and editorial skills of these three seniors. To take a look into something Cedar Springs has never seen before, follow, their journey on the CedarSpringsTV and csredhawknation Youtube channels. As well as on Instagram @drivencstv.
