A WORLD CAFE EVENT

QUESTION 2 Would you support a policy that enacts a completely cell-phone free environment in all schools? How would such a policy impact our school environments?

Would not support
No phone policy
- too many benefits
- feels like being
punished for a few
bad apples

Yes, with guidelines:
• Designated time to use phones
• bell to bell - no phones
• Staff expectations as well
• Clear communication

Partial no phones
- bin or bag to put phones
into during "no phone" times
↳ per classrooms
↳ during certain times

Yes, with limitations
- use available some
- right direction
- concerned about a
backlash due to
addiction

No on total no phone
• none at elementary
• middle school - in lockers
• high school - none during
instruction
↳ except when allowed
by teacher/district
- Communicated
clearly

No, would support full
no phones
- passing periods & lunch
- not used during class
- students need to face
their own consequences
with policies

Yes, but not practical
for full no-phone
policy
• there needs to be a
policy with limitations
• levels of age, etc.
• consistent across
district

across whole
district!

Many questions about what
it would look like.

↳ Whatever it is - make it consistent!

Yes, Partial
- Standardization
- Parents work with
board
- difficulty with
detox
- All across district
