PLEDGE OF ALLEGIANCE

ANNOUNCEMENTS

Good morning Chemics. As you may know, Midland High has two ESA classrooms led by Ms. Tebo and Ms. DuHamel. These classrooms are part of the Midland County Educational Service Agency which has the vision of helping every individual reach their potential. Students in these two rooms represent a wide variety of strengths and disabilities. These Chemics help to make our school as diverse. We invite you tomorrow, Wednesday, September 18, to wear tie-dye to show support and inclusion of our fellow Chemic students and the staff members. Chemics, we all belong here!

Please look in your email for a message from Ms. Albright. In that email you will find homecoming information and a lot of other information about upcoming events at MHS. Included in this email is an offer for students to help plan events for Hispanic Heritage Month. Also, MHS Varsity Leadership would like to display flags in Eyeball Alley that show where all of our Chemic families are from. If you or your parents were born in a country other than the U.S., we would like to know so we can represent your family's country of origin. We are also asking your input for spirit day themes for the Midland versus Dow week that will occur at the end of October.

Fire up, Chemics, next week is the 2024 MHS Homecoming celebration with the theme of "Cities Around the World." We begin the week by celebrating Rome and wearing white. Do you have a toga? Get it out! Tuesday is a celebration of New York City. We encourage you to wear your version of street clothes. Wednesday is all about London and their history of royalty. Observe this day by wearing the "royal" colors of red or purple. Thursday, we travel to Paris and celebrate the recent Olympics with sports jerseys of all kinds including Chemic wear or your favorite international futbol team. We will conclude the week by celebrating Chemics and wearing blue and gold as we prepare to defeat the Traverse City Titans.

Tickets for the MHS Homecoming dance that will be held on Saturday, September 28, from 7-10 p.m. in the auxiliary gym will be on sale starting Monday, September 23 during both lunches and after school. The cost of tickets purchased in advance is \$10 and we will accept cash or checks. Tickets will be available at the door for \$15. Are you taking a guest to homecoming? Please see the main office for the visitor form. All Homecoming guest dance forms need to be in by the end of the day, Wednesday September 25. No exception.

Are you interested in global cultures and diversity? Do you also want to try new foods? Well, you're in luck because the International Club is hosting a meeting Today after school at 2:35pm in room 328. International Club is also hosting a meeting at 3:35 pm for those with 7th hours! Enjoy free snacks from different countries at every meeting and don't miss out on the chance to make a difference and spread awareness. Feel free to contact Mr. Mulvaney in room 328 for any questions."

Attention freshmen, class of 2028! **There will be a banner making meeting TODAY in Mr. Wontorcik's room (room 336) right after school until 3:45!!!** We will be creating a banner for the freshmen class to display during homecoming. Everyone is welcome and encouraged to come and join us!

Cookies! Cake! Pie! Candy! Chemics, would you like to spend time in the kitchen creating delicious desserts? MHS's Baking Club will have their first meeting of this school year tomorrow at 2:30 in room 348 -- across from

Come to the Club Med meeting on Thursday, September 19th! We will look at more information about the club and learn about a medical career. Anyone is welcome! See you there!

Crocheters! Gear up for our first ever meeting on Thursday 9/19 at 2:30 in room 340! We will go over crochet basics and make vine garlands for our first project. See you soon!

Students don't forget about the college reps that are still available for today: 3rd hour is Hope College, 5th hour is Michigan Tech and 6th hour is Grand Valley! Also, Thursday, Saginaw Valley will be here during 2nd hour and Lake Superior State will be here during 5th hour!

POSITIVE THINKING

Build Strength

You build inner strength as you learn and grow, overcoming obstacles along the way. It isn't something you're born with; it's something you cultivate by working through the hard stuff. If you feel like you don't have the strength to overcome a certain challenge you face, don't give up. Reach out to a friend or family member to help you through it.

SPORTS ACTION

Boys' soccer defeated Davison last night 4-0. Scoring for the Chemics was Kadon Caris, Aiden Marthaler, Landon Wisneski (x2). Assist: Kadon Caris and Aiden Marthaler. The Chemics will face Dow Wednesday night.

The JV golfers defeated Dow in two separate matches yesterday. The Chemic JV's on Currie East won by 6 strokes in a two-person scramble event with Clare Reinhardt and Caroline Williams coming in with a 44 for match medalist honors. Also contributing to the win were Kiley Roehrs and Reese Dominowski, and Vanessa Castanier and Audrey McLaughlin. The Chemic JV's on the Par 3 won by 2 strokes over Dow led by Cassie Matonican as team medalist. Also contributing to that win were Abigail Cassiday and Grace Pilgrim.

The JV's will host the Saginaw Valley League teams next Tuesday at Currie East for the SVL tournament of the season.
