Dr. Rose Mary Neshyba, Superintendent of Lake Worth ISD, expressed her full confidence in Dr. Seeton and said, "He brings a wealth of experience dedication, and a passion for educational excellence. Collectively, we aim to strengthen our dedication to nurturing an engaging and supportive learning environment for every student."

As Assistant Superintendent of Teaching and Learning, Dr. Seeton will play a vital role in advancing the district's educational goals, implementing innovative teaching strategies, and ensuring a comprehensive and inclusive learning experience for Lake Worth ISD students.

"I am excited to move into this new role," said Dr. Seeton, "We have done some really good work at our high school campus, and I am excited to get to continue the good work that has been done here at the district level. I appreciate the confidence that Dr. Neshyba and the school board have in me to help get this school district where it needs to be, and there is no doubt in my mind that we have the capacity and the right people in place to do that."

Lake Worth ISD looks forward to the continued growth and success under Dr. Seeton's leadership in his new role. Please join us in congratulating Dr. Jeff Seeton on this well-deserved appointment.
