Available for help: 2:10 pm- 3:00 pm

Course Content: This course explores the fundamental concepts of geometry, including the properties and relations of points, lines, surfaces, and solids. Students will develop critical thinking and problem-solving skills through logical reasoning and the application of geometric principles.

Materials: Students should bring a pencil and their Chromebooks to class with them daily.

Evaluation Criteria: This course is evaluated on a point-based system. Students will receive homework, quizzes, tests, and exams.

Tests will be worth 35% of total grade.

Quizzes will be worth 25% of total grade.

Homework will be worth 20% of total grade.

Quarterlies will be worth 20% of total grade.

The grading scale is as follows:

Letter Grades:

A+ = 100   A = 93-99   A- = 90-92

B+ = 87-89   B = 83-86   B- = 80-82

C+ = 77-79   C = 73-76   C- = 70-72

D+ = 67-69   D = 63-66   D- = 60-62

E = 0-59

Homework Policy: Homework will be turned in the day it is due. Unexcused late work will be accepted but will be reduced by 30% in grade.

Make-up work: A student will be given one day to turn in work for each day that they missed. Work handed in after this time will be reduced 30% in grade.

Classroom Expectations:

- We will treat others, their belongings, and the classroom with the same respect that we wish to be treated.
- We will not walk around the room or distract others during lessons or lesson work times.
- We will be respectful of other people's ideas and feelings. Comments or actions which are unkind to other students will not be tolerated.
- Only water will be allowed in the classroom. No other drinks, food, or candy will be allowed.
- There is a seating chart. You are expected to sit in your assigned seat every day.
- Class ends when I dismiss you, not the bell. You must be in your assigned seats until I dismiss you.
