

Celebrating the Class of 2024

Sarah Amir-Parviz

First Year at St. Mark's: 6th Grade

"Math really prepares you for life out of middle school because you have to use it on a daily basis."

Catherine Cadena

First Year at St. Mark's: Preschool 2s

"My favorite memory of St. Mark's is being a part of the tech crew for the musicals because it's just a lot of fun."

Alyssa Barrett

First Year at St. Mark's: Kindergarten

"The best thing about St. Mark's is the supportive community and how everyone is like family towards each other."

Jude Calarge

First Year at St. Mark's: Pre-K

"Math most prepared me for life after middle school because I believe Mrs. Mayr's notes will help me throughout high school."

Bryson Blasingame

First Year at St. Mark's: Preschool 2s

"The best thing about St. Mark's is the teachers."

Addison Cassens

First Year at St. Mark's: Preschool 3s

"The best thing about St. Mark's is the people and community."

Robert Boone

First Year at St. Mark's: 5th Grade

"Spanish prepares you most for life after middle school because it helps you communicate."

Kyle Cunius

First Year at St. Mark's: 1st Grade

"The best thing about St. Mark's is the supportive environment and that the teachers will always help."
