

Kate O'Keefe

First Year at St. Mark's: Pre-K

"Three words to describe my 8th grade year: exacting, exhilarating, and transitional."

Castle Smith

First Year at St. Mark's: Preschool 3s

"My advice to next year's 8th graders is to go places after school with your friends, get athletic, and don't stress so much about high school."

Gael Pantoja

First Year at St. Mark's: 5th Grade

"The best thing about St. Mark's is the teachers, staff, and friends around me."

Ryder Smith

First Year at St. Mark's: Preschool 3s

"The best thing about St. Mark's is how everyone through the grades are connected in some way—8th grade shares a hallway with 7th grade, we go to chapel sometimes with the 4th graders, and we meet up with other graders through morning jobs."

Ema Pearson

First Year at St. Mark's: 2nd Grade

"Three words to describe my 8th grade year: hectic, fun, and stressful."

Zach Smith

First Year at St. Mark's: Preschool 3s

"Life 101 most prepares us for life after middle school because it helped me learn how to be a bright young man who is able to see himself in his own life, and able to plan for the future, yet able to live in the present."

Krish Saxena

First Year at St. Mark's: Pre-K

"Speech most prepares you for life after middle school because it teaches you how to confidently publicly speak."

Ben Spalding

First Year at St. Mark's: 1st Grade

"Life 101 with Mr. Wagers most prepares us for life after middle school because it helped me turn into a person who is willing to think about how to be a good leader and to see it from a perspective of a soldier."

Caroline Smith

First Year at St. Mark's: Preschool 3s

"History most prepares us for life after middle school because we learn about our past as well as current events, which make us aware of what is going on around us."

Eleanor Tison

First Year at St. Mark's: 5th Grade

"The best thing about St. Mark's is the library."
