

Graduation

FRIDAY, MAY 17, 2024

The Class of 2024

Because of an unexpected major weather event the night before Baccalaureate and Graduation, we held Baccalaureate on Monday, May 20, and Graduation on Friday, May 17 as scheduled. Baccalaureate took place in the sanctuary at St. Mark's Episcopal Church, followed by a reception organized by the 7th grade class. Graduation was held on Friday evening in Reeder Gymnasium. At graduation, **Krish Saxena, '24**, reflected on how St. Mark's lets students be who they are.

"I want to thank each one of my classmates for creating bonds and memories with me that can never fade. You have made my years at St. Mark's fun, rewarding, and memorable. We have grown together, learned together, played together, struggled together. But, most importantly, we have been loved here. In all my years at St. Mark's there has never been a day that I woke up and said, 'I do not want to go to school.' Wherever we are going, we will stand out among others with the pride and values of a St. Mark's student—the values of kindness and respect for others—and people will know and remember: 'This is a St. Mark's lion!'"
