We are excited to announce a new convenience option in 2024-2025: **Breakfast!**

Now, you will no longer need to pack a breakfast or try to rush to prepare breakfast for your child as you're getting ready to leave the house. Know your child will be well cared for and well fed right here at school.

### Weekly Menu:

**Daily** fruit cups, yogurt cups, cereal & milk

**Monday** ham, egg, & cheese croissant, or egg & cheese croissant

**Tuesday** bacon or potato, egg, & cheese breakfast taco, or egg & cheese breakfast taco

**Wednesday** scrambled eggs, turkey or pork sausage, and toast

**Thursday** french toast and link sausage

**Friday** veggie or bacon frittata

### Serving Times by Grade Level:

To give students enough time to eat and get to class, students will need to finish their breakfast before heading to class.

- **7:00–7:50 AM** Pre-K through 4th grade students
- **7:00–8:20 AM** Preschool 3s and middle school students

### Enrollment & Fees

The monthly costs are listed below and will post to your tuition management account. To withdraw from the program, a 30-day notice is required.

<b>Before Care without Breakfast</b>	\$75/month
<b>Before Care + Breakfast</b>	\$160/month
<b>Middle School Students Breakfast</b>	\$85/month

**Note:** Like before and after care, due to varying days each month, the program will be billed 9 months of the year rather than the ten months of school.

*If you have any questions, please contact Director of Extended Programs, Juli Rush.*
