

ALL THAT GLITTERS

2024 GALA

ST. MARK'S EPISCOPAL SCHOOL

An Annual Fundraising Tradition

In even years we hold a Gala, an evening event with a seated dinner and a band. In odd-numbered years, we hold an UnGala on our campus with more casual fare and a relaxed atmosphere. Proceeds from the St. Mark's Gala or UnGala benefit special projects around campus. Funds from previous events have been earmarked for things like facility upgrades, keeping our campus secure, professional development, and our ongoing commitment to improving technology. Stay tuned for more information about the Spring 2025 UnGala!

Sabrina Siso and Monica Enamorado

The 2024 Gala will not be soon forgotten. The sold out event was a smashing success in every way. From the venue and dinner menu to the music, our Gala chairs, Sabrina Siso and Monica Enamorado, thought of it all. Creating a gala that meets fundraising goals, as well as entertainment goals, is no easy task and they excelled at both. After a full year of planning every detail, the Gala raised over \$300,000 to be put directly into the school's operating fund and for support toward our new STEAM classroom. Thanks to all who supported the gala with their presence, their purchases, and their prayers or their positive thoughts. If you missed the gala this year, you won't want to miss the next one in 2026. In the meantime, dust off your 90s gear and join us for the 2025 Ungala on February 22.
