Valor agrees to provide to the High School athletic training services for all home events and all away varsity football events according to the schedule provided to Valor by District. (“Training Services”):
  - 1.1 Event preparation, to include assisting student trainers or District staff, as needed, with the taping of student athletes, thirty minutes prior to the start of an event. Student athletes will be prioritized based on game/match timing and extent of each student athlete’s needs.
  - 1.2 District will ensure student trainers will be available at all events and trained sufficiently in athletic training skills in order to support Valor staff.
  - 1.3 Services do not include filling ice bags and water bottles or other functions that do not require advanced training and can be fulfilled by student trainers.
  - 1.4 In the event of an injury to a student athlete, Valor shall provide “initial stabilizing care” of the injury at the event at no additional cost to the District.

Payment for services provided to student athletes at Valor facilities shall be and remain the responsibility of the parents/guardians. The District shall not be financially responsible for any such service.
