

Volunteer Policy & Info

Parents, Guardians, Caretakers, and Community Members:

We extend our gratitude to those who have chosen to volunteer at our school. Your commitment to our community is invaluable, and we are truly grateful for your support. While the volunteer process is straightforward, it requires a few essential steps:

- 1. Please visit our office and meet with our Parent Liaison. Ensure you bring your Identification or Driver's License, along with proof of COVID vaccination and your TB test results.**
- 2. Once you've provided the necessary information, our Liaison will forward your details to the District's HR department for processing.**
- 3. Following approval of your information, our staff will contact you to arrange an appointment for fingerprinting.**

Kindly be aware that fingerprint clearance can take 3-4 weeks, with a fee of \$74.00, which must be paid by money order.

Your involvement enriches our school environment and greatly influences our students' experiences. We appreciate your cooperation and dedication to our school community.
