

14 months to August 2025!

Here's our new campus!

GET A VIRTUAL VISUAL OF OUR NEW HOME

College Park Elementary School **will** be relocating to 1001 Bermuda Drive. In preparation, the Relocation Committee and PTA were given a tour of the Bermuda Drive Campus in February 2024. As parents of College Park students, we were eager to see where our children would call their new school home. We all agree that the new campus is in great condition, and has amazing space for all our school's programs. We all believe that the size and layout of the school is great and will overwhelmingly support our students' and staff's needs.

To give you a sneak peek of the amazing space we are relocating to, we have put together a virtual tour in the form of a slideshow. If you have any other questions, feel free to reach out!

"The Teacher and Staff visit to the Bermuda Campus was a great visit for all. Everyone who was able to attend explored possibilities with our new space and left with great excitement for our future move!"

—Principal Estonina

Tour our new campus!

To give you a sneak peek of the amazing space we'll be relocating to, we have put together a virtual tour in the form of a slideshow.

The relocation committee wants your ideas on art work, that we as a community can work on, to add to our new campus. Do you have ideas on some art work we can add to our new campus? Please email communityliaison@collegeparkpta.com on your ideas. Check out our slideshow for visuals on where we can add our own artwork at our new campus

Have some questions?

We have a lot of answers!

[Click here for our FAQ document,](#) which will be updated regularly in addition to these periodic newsletters, or email us at communityliaison@collegeparkpta.com.
