

UNITED NATIONS INTERNATIONAL SCHOOL OF HANOI HIGH SCHOOL PROFILE 2024 2025

The United Nations International School of Hanoi (UNIS Hanoi) is an independent, non-profit co-educational English-language day school enrolling students from Early Years through Grade 12. The School was established in 1988 as a partnership between the Vietnamese government and the United Nations (UN) to offer an education to the children of UN personnel, the diplomatic community, expatriates and local Vietnamese families.

UNIS Hanoi Mission

"Guided by UN values, we inspire all learners to strive for academic and personal excellence and empower students to create positive, sustainable impact."

School Community

The 1162 students from Early Years (age 3) to Grade 12 come from more than 60 different countries including the host country Vietnam. Parents of UNIS Hanoi students work in UN/NGO organisations, embassies and government agencies, business and other professions.

School Calendar

The school year consists of no fewer than 175 teacher-student contact days from mid-August through mid-June. Each subject class meets for approximately 65 minutes every other day.

Grading, Ranking, and Awards

UNIS Hanoi is non-selective in admission to the IB Diploma Programme and over 89% of our students choose to pursue the full IB Diploma. UNIS Hanoi does not rank students, calculate GPA, or have an Honor Roll. We do not grant yearly academic awards; only one academic award per year is given to a Senior student.

UNIS Hanoi limits students to 12 university applications.

Academic and Service Programme

UNIS Hanoi is an IB World School and the first in Asia authorised to offer all three IB Programmes. We combine the IB philosophy with the ideals, principles, and goals of the United Nations. Students at UNIS Hanoi are closely intertwined with the United Nations' goals and mission; Service Learning is an intricate element of our curriculum from Early Years through High School. The UNIS Hanoi community is committed to moving forward the UN Sustainable Development Goals (SDGs); this commitment is reflected in our daily work and embedded in our curriculum.
