KIS International School is seeking a dynamic and experienced IB Middle Years Programme (MYP) Coordinator to join our Secondary School leadership team. The MYP Coordinator plays a pivotal role in leading the development and enhancement of our MYP curriculum, ensuring that it meets the highest standards of excellence and remains aligned with the IB philosophy.

Key responsibilities include overseeing the MYP curriculum, coordinating all elements of the programme, and leading the Personal Project. The successful candidate will work closely with teachers to develop the MYP Core and Approaches to Learning, fostering an engaging, student-centered learning environment. This role is supported by a whole-school Director for Teaching and Learning, ensuring a collaborative approach to educational leadership.

The MYP Coordinator will also have a teaching component, focused on the development of the MYP Core, with significant release time to dedicate to their leadership responsibilities.

We are looking for an engaging and professional leader who is student-centered, reliable, a good communicator, and a true team player. The ideal candidate will be passionate about education and committed to seeking the best outcomes for students.

If you are dedicated to educational excellence and eager to contribute to a vibrant, supportive learning community, we invite you to apply.

Throughout our history, a sense of place and balance have been hallmarks of the school. The facilities, academic and extracurricular programs, and teachers have been instrumental in nurturing the school as a warm, friendly, and supporting environment for not only students, but for our community as well.

KIS was established in 1998 and was one of the first PYP schools in the world. We are proud to be the only school in Bangkok to offer all four IB Programmes (PYP, MYP, DP & CP) exclusively and all students in Grade 11 and 12 take courses resulting in an IB Diploma or Certificate.

With approximately 830 students and a teacher to student ratio of less than 1:7, our students are known and valued as individuals, creating a strong sense of community.

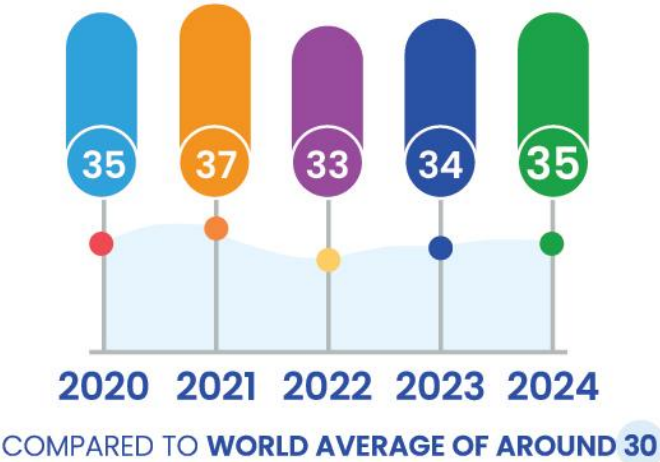

Our campus is a welcoming and vibrant community comprised of 25,000 square meters. Although the school is near Bangkok’s city center, our location enables unobstructed views and expansive greenery. There are three pools, multiple playgrounds, covered sports courts, indoor air-conditioned sports hall, an open grassy field, a zip line, maker spaces, music, art and dance studios, an auditorium, theater and audibox, a brand new diploma program lounge, state-of-the-art technology labs, libraries, and much more.

KIS IB results are consistently strong in all programs due to a challenging, well-balanced and differentiated learning framework.

Strategic Plan 2020 – 2025

During the 2019-2020 school year, KIS International School began the process of creating its next [strategic plan](#). It outlines an ambitious and exciting strategic vision for the school through the framework of five strategic elements. It is entitled, *“Inspiring Individuals...Inspiring Learning,”* highlighting the fact that the plan is unequivocal in its focus on student learning, and moving KIS to be a consummate learning school.

KIS aspires to be the premier IB school in Bangkok emphasizing high-quality teaching and choice, and driven by personalized, sequenced, authentic learning in a world seeing increasingly diverse and unique learners. Our eventual size between 950-975 students will allow us to be large enough to have a reputable place as a “learning school” without equal in the city. The five Strategic Areas of the plan identify major goal areas that will help the school realize its vision.
