

Cockrell Elementary School Parent Policy Parent & Family Engagement (PFE) Program

What is it?

Cockrell Elementary is committed to our vision: Children are our future: we are dedicated to their success. Cockrell Elementary exists to ensure all students feel respected, treasured, loved and empowered. One way we continue to do this is by participation in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.

Funding

Title I funds will be used for implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful collaboration with families.

Review

Funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE program.
