What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home. Effective Compacts link to academic achievement goals:

- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom virtually

Developed Together

The parents, students, and staff worked together to share ideas to develop the school-parent compact. A Title I meeting and Title I Parent Meeting are held each year to review and revise the compact based on the school's academic achievement goals and the students' needs.

Parents are welcome to provide feedback at any time. All feedback will be collected and reviewed during the annual revision meeting with parents.

Building Partnerships

We believe that parents and families play an important role in supporting their child's learning. Please consider joining the faculty, staff, and fellow parents through some of the following events:

- Meet the Teacher Night
- Thanksgiving Picnics
- Spookies
- Field Day
- Bedtime Story Hour
- Curriculum Nights
